

Electoral Commission Queensland

Registration of EFT Details for Policy Development Payment

For use by the Agent of a Registered Political Party

This form is for the use of agents of political parties to nominate an account to which policy development payment shall be directed by the commission in accordance with the Electoral Act.

An eligible party that fails to provide details of a nominated account by the payment date will receive payment by cheque.

A party requesting not to receive policy development payment can make this request via the tick-box portion of this form, or may otherwise provide written notice of the request to the Commission.

Please Note

The account details on this form are provided to the commission's service provider to perform payment of policy development payment if and when the party is so entitled.
