Foreword

The writ for the forty-ninth general election of eighty-nine Members to the Queensland Legislative Assembly was issued on Tuesday 19 May 1998. The writ specified a minimum election period of twenty-six days with Saturday 13 June 1998 scheduled as polling day. The Commission returned the writ to His Excellency the Governor of Queensland on Thursday 25 June 1998, some 33 days earlier than the date specified for the return of the writ.

The 1998 election was conducted with a record number of candidates (438), the most number of registered political parties represented (11), the highest number of electors enrolled to vote (2,115,997), the highest voter turnout for a State election since 1966 (92.85%) and the lowest recorded informality rate since 1960 (1.45%).

It was one of the most closely contested general elections in Queensland's 138 years of electoral history and provided the broadest mix of Member representation. The Australian Labor Party secured 44 seats, the National Party of Australia 23 seats, Pauline Hanson's One Nation 11 seats, the Liberal Party of Australia 9 seats, while the remaining seats of Gladstone and Nicklin were won by non-aligned independents. The Australian Labor Party formed government with the support of the Member for Nicklin.

To enable the Commission to conduct the 1998 general election and ensure the highest standards of service to the public on election day, the staff of the Commission, including the eighty-nine Returning Officers, were assisted by some 7,000 polling officials employed on a casual basis to take the votes at 1,626 polling booths throughout Queensland. I wish to record my personal thanks and appreciation to all staff for their dedication to the task.

The last possible date for the next Queensland general election is Saturday 22 September 2001.

Explanatory Notes

1 Introduction

- 1.1 This report includes an explanatory overview of the State electoral system, together with a statewide map illustrating the 1998 election results; individual district maps and profiles accompany district returns. Statewide and district summary tables of voting responses are included.
- 1.2 In accordance with section 124 of the *Electoral Act 1992*, the results of preference counts are shown for all districts whether or not it was essential to determine the election result.
- 1.3 This data and information is intended to provide a comprehensive account of polling and a documentary record of Queensland's forty-ninth general election for reference and research purposes.

2 The Legislative Assembly

- 2.1 Queensland has the distinction of having the only unicameral (single house) State Parliament in Australia. The Legislative Assembly has functioned as the single chamber of the Queensland Parliament since 4 July 1922, and has grown from 26 members in 16 Districts in 1860 to 89 MLAs in 1998, each representing a single electoral district.
- 2.2 The framework of the electoral system for the Queensland Legislative Assembly is contained primarily in two acts of Parliament. The *Electoral District Act 1991*, provided for the abolition of the previous zonal system of representation and established the rules for the distribution of boundaries undertaken by the Electoral and Administrative Review Commission (EARC) in 1991. This Act was repealed on proclamation of the *Electoral Act 1992* on 19 June 1992.
- 2.3 The *Electoral Act 1992* established the guidelines for future redistributions and defines the administrative procedures for the conduct of elections and by-elections to fill vacancies in the Legislative Assembly.
- 2.4 The main distinguishing characteristics of the existing electoral system are as follows:
 - (a) elections for the unicameral legislature must be held every three years;
 - (b) universal adult suffrage of citizens applies (refer s 6 Enrolment Qualifications);
 - (c) the electoral landscape consists of 89 districts each of which elects one Member to the Legislative Assembly;
 - (d) enrolment and voting are compulsory. Voting is by secret ballot;
 - (e) optional preferential voting (OPV) was reintroduced as the method of voting in 1992 following 30 years of compulsory preferential voting;
 - (f) the first distribution of boundaries under the *Electoral Districts Act 1991*, provided for a weightage equivalent of 2% of the area in five districts in excess of 100,000 Km²; and
 - (g) opportunity exists to dispute the results.

3 Conduct of Elections

- 3.1 The Electoral Commission of Queensland, a statutory authority established by proclamation of the *Electoral Act 1992*, is the agency responsible for the administration of the State's electoral laws.
- 3.2 The Commission's mission is: *To maintain the integrity of Queensland's electoral system.* The Commission's corporate goals are:
 - (a) to impartially administer Queensland's electoral laws;
 - (b) to conduct free and democratic parliamentary and industrial ballots;
 - (c) to manage a comprehensive process for the independent review of local government boundaries; and
 - (d) to promote Queenslanders' informed participation and confidence in the electoral system.

3.3 The functions and powers of the Electoral Commission are specified under s 8(1)-(4) of the *Electoral Act 1992* as follows:

Section 8

- (1) (a) perform functions that are permitted or required to be performed by or under this Act, other than functions that a specified person or body, or the holder of a specified office, is expressly permitted or required to perform; and
 - (b) conduct a review of the appropriateness of the number of electoral districts whenever the Minister requests it, in writing, to conduct such a review, and report to the Minister the results of the review; and
 - (c) consider, and report to the Minister on:
 - (i) electoral matters referred to it by the Minister; and
 - (ii) such other electoral matters as it considers appropriate; and
 - (d) promote public awareness of electoral matters by conducting education and information programs and in other ways; and
 - (e) provide information and advice on electoral matters to the Legislative Assembly, the Government, departments and government authorities; and
 - (f) conduct and promote research into electoral and other matters that relate to its functions; and
 - (g) publish material on matters that relate to its functions; and
 - (h) perform any other functions that are conferred on it by or under another Act.
- (2) The Commission (the "Queensland Commission") may perform any of its functions under subsection (1)(d) to (g) in conjunction with the Australian Electoral Commission.
 - (3) The Governor may arrange with the Governor-General for the performance by the Australian Electoral Commission of any functions on behalf of the Queensland Commission.
 - (4) The Commission may do all things necessary or convenient to be done for or in connection with the performance of its functions.

3.4 In addition to its full-time State office personnel, the Commission maintains a statewide network of 89 district Returning Officers (and one Assistant Returning Officer in the District of Cook) employed by retainer on a part-time basis to administer routine electoral procedures and manage electoral events locally as they occur (refer Table 1). An additional 7,000 casual employees are engaged to meet the challenge of conducting a large scale electoral event such as a general election or referendum.

- 3.5 The Commission must conduct an election of a Member(s) of the Legislative Assembly once the Governor (or Speaker) issues a writ under the *Electoral Act 1992*. The timing and duration of the processes associated with the election are regulated by specific statutory provisions. Accordingly, the timetable established for the 1998 election was as follows:

Electoral Awareness Campaign

- 4.1 Under s 8(1)(d) of the *Electoral Act 1992*, the Commission has a statutory responsibility to 'promote public awareness of electoral matters by conducting education and information programs and in other ways'. This obligation is discharged during an election period through the conduct of a statewide multi-media electoral information and awareness campaign triggered by the issue of the writ.
- 4.2 The Corporate objective of the 1998 campaign was to maximise the distribution, reach, impact and cost-effectiveness of all communications media utilised during the election period. The specific performance objectives for the campaign were:
 - (a) to promote and encourage the enrolment and re-enrolment of electors;
 - (b) to publicise voting arrangements and polling procedures to enable electors to discharge their rights and obligations at the election;

- (c) to promote informed participation in the election among those qualified to vote;
- (d) to reduce the incidence of informal voting at the election; and
- (e) to ensure public confidence is maintained both in the electoral system and in the capacity of the Electoral Commission to discharge its statutory functions.

- 4.3 As was the case with the campaign for the 1995 election, the centrepiece of the 1998 campaign was an Election *QuickGuide* distributed to households throughout Queensland. This comprehensive guide contained essential information for electors on when, where and how to vote pre-poll or on election day. The 1998 *QuickGuide* differed from the 1995 version in that 6 regional versions were published, as opposed to the single statewide booklet used in 1995. The guide contained individual maps of the electoral districts for the region, showing the location of polling booths, names of candidates, and close of roll figures.
- 4.4 In addition, television, radio and press were used to deliver short reminders of critical dates and times, and to promote public interest in the *QuickGuide*.

5 Electoral District Boundaries

- 5.1 The 1992, 1995 and the 1998 general elections were conducted on the electoral district boundaries determined by the Electoral and Administrative Review Commission (EARC) on 27 November 1991 under the *Electoral Districts Act 1991* (repealed by the *Electoral Act 1992*).
- 5.2 EARC considered the following matters in preparing the distribution as required by section 3.3 of the *Electoral Districts Act 1991*:
- (a) the quota of electors (20,372);
 - (b) a margin of allowance whereby the quota may be departed from by not more than one-tenth more or one-tenth less; and
 - (c) in respect of a proposed electoral district of at least 100,000 square kilometres in area, the quota may be departed from in that case to an extent greater than one tenth less. Subject to these matters, in determining the boundaries of new electoral districts, EARC considered:
 - (a) community of interests within the proposed electoral district – including economic, social and regional interests;
 - (b) means of communication and travel within the proposed electoral district;
 - (c) the physical features of the proposed electoral district;
 - (d) demographic trends in the State with a view of ensuring, as far as practicable, that the number of electors enrolled for districts would remain within a 10% tolerance from the average district enrolment; and
 - (e) objections and comments on objections to the Commission's proposed electoral distribution under section 3.6.
- 5.3 EARC's determination distributed the State into 89 single-member electoral districts with a range of enrolments after rural weightage from 18,425 (Hervey Bay) to 22,399 (Mount Coot-tha) and an average district enrolment of 20,372. The distribution also re-named 31 of the 89 districts. Districts range in size from 13.55 Km² (Greenslopes) to 343,977 Km² (Gregory).
- 5.4 Provisions relating to future redistributions have been incorporated in Part 3 of the *Electoral Act 1992*. Section 36 of the Act specifies the circumstances which will trigger future redistributions as follows:
- (a) if the Act is amended to change the number of electoral districts (s 37); or
 - (b) one year elapses after three general elections or 7.5 years elapse following the last redistribution, whichever is the later (s 38); or
 - (c) if one third or more of the 89 electoral districts become malapportioned for 2 months in a row (s 39).

A redistribution will be undertaken during the life of the current Parliament.

6 Qualifications for Enrolment

- 6.1 Following recommendations from EARC Queensland entered into a joint electoral roll arrangement with the Commonwealth on 4 November 1991. In addition, the *Electoral Act 1992* brought the State's enrolment qualifications in line with the Commonwealth.
- 6.2 Qualifications for enrolment appear at s 64 of the *Electoral Act 1992*. A person is entitled to be enrolled to vote at elections for Members of the Queensland Legislative Assembly if the person has attained the age of 18 years and is:
- (a) an Australian citizen; or
 - (b) (other than an Australian citizen) a British subject whose name was, on 25 January 1984, on the roll for a federal electoral division; or (for State enrolment only) was entitled to be enrolled on the State electoral roll on 31 December 1991; and
 - (c) lives in the electoral district and has lived in it for the last month (s 64 (1)).
- 6.3 A person is disqualified from enrolment and from voting if the person:
- (a) by reason of unsound mind is incapable of understanding the nature and significance of enrolment and voting; or
 - (b) has been convicted and is under sentence for an offence punishable under the law of the Commonwealth or of a State or Territory by imprisonment for 5 years or longer; or
 - (c) has been convicted of treason or treachery and has not been pardoned.
- 6.4 A number of special provisions exist for electors in particular circumstances to enrol to vote including:
- (a) **Provisional Enrolment**
A 17 year-old who would qualify for enrolment if 18 years of age can apply for provisional enrolment. The person's name will automatically be entered on a roll for the district for which enrolment is claimed the day that person attains the age of 18 years.
 - (b) **Enrolled Voters Leaving Australia**
A person who is enrolled on the electoral roll, and intends to cease to reside in Australia but intends to resume residing in Australia may apply to be registered as an 'overseas voter'.
 - (c) **Itinerant Electors**
A person who is in Australia but not residing within any district (and is therefore not entitled to be enrolled for any district) may apply, in writing, to be registered as an 'itinerant voter'.
 - (d) **Prisoners**
If not a disqualified person, the elector is entitled to remain on the roll for the district in which he/she was enrolled before serving the prison sentence.
 - (e) **Silent Enrolment**
Where a person considers having his/her address shown on the roll would place his/her (or family members') personal safety at risk, application may be made for enrolment as a 'silent elector'. A silent elector's address details are not shown on the roll.
 - (f) **Special Postal Voters**
An elector whose real place of living is not within 15 km of a polling booth, may apply for enrolment as a special postal voter. Once an election is announced ballot papers are automatically despatched to these electors for voting by post.

- 6.5 Table (3) shows the close of roll figures for the 1998 general election. District enrolments ranged from a low of 14,374 in Warrego (a weighted district) to a high of 32,605 in Albert. Average district enrolment at the close of roll on Saturday 23 May 1998 was 23,775. After allowances are made for the five weighted districts; 40 or 44.94% of the eighty-nine districts deviated by more than ten per cent from the mean 23,775; twenty one districts above and nineteen (including Charters Towers, Mount Isa and Warrego, all weighted districts) below.

7 Nominations and Candidates

- 7.1 A person may be nominated as a candidate and may be elected as a Member of the Queensland Legislative Assembly if the person is:
- (a) an adult;
 - (b) an Australian citizen;
 - (c) enrolled on the electoral roll for any electoral district; and is
 - (d) not a disqualified person as defined under the *Constitution Act 1867*, *Officials in Parliament Act 1896*, and/or the *Electoral Act 1992* (including an undischarged bankrupt, a prisoner or person subject to a periodic detention order, or a member of the Commonwealth Parliament).
- 7.2 Candidates may be nominated by the registered officer of a registered political party or six or more electors enrolled for the district concerned, none of whom has previously nominated a candidate for the election.
- 7.3 Candidates must lodge a deposit of \$250, which is refunded if the candidate withdraws or secures more than 4% of the total first preference votes at the election.
- 7.4 A total of 438 candidates nominated for election in 1998 (148 more than the 290 candidates in 1995). The range of district nominations was from three (in 6 districts) to nine candidates (in one district – South Brisbane). The increase in the number of candidates was a function, in part, of the greater number of registered political parties (11 in 1998 compared to 6 in 1995). The six parties registered since the 1995 election (1, the Confederate Action Party, was de-registered during the period) endorsed 132 (30.13%) of the 438 candidates. A total of 400 or 91.32% of the 438 candidates were endorsed by registered political parties.
- 7.5 The remaining 38 candidates stood as independents or were endorsed by unregistered political parties. One hundred and six (24.2%) candidates were women.
- 7.6 The candidates standing for election in each of the 89 electoral districts at the 1998 election are shown in Table (4) following.

8 Register of Political Parties

- 8.1 Part 5 of the *Electoral Act 1992* makes provision for the registration of political (or party name if there is no registered abbreviation) parties. Once registered, parties are entitled to have their party registered abbreviation printed on the ballot paper adjacent to the names of their endorsed candidates.
- 8.2 To qualify for registration under the *Electoral Act 1992* a political party must:
- (a) have at least one member in the Queensland Legislative Assembly; or
 - (b) if not already a Queensland Parliamentary Party, have a minimum membership of 500 electors.
- 8.3 Applications for membership must be on the prescribed form, include the party name and preferred abbreviation if any, set out the name and address of a registered officer, and include a copy of the party's Constitution.
- 8.4 The following 11 political parties were registered when the Writ for the 1998 general election was issued:-

9 Funding and Disclosure

- 9.1 Following EARC's (1992) recommendation and the report by the Parliamentary Committee for Electoral and Administrative Review (1993), the *Electoral Act 1992* was amended in December 1994, to incorporate provisions relating to the partial funding of elections and financial disclosure by candidates, parties and other persons.
- 9.2 The provisions, incorporated in the Schedule to the *Electoral Act 1992*, are based on those contained in the Commonwealth *Electoral Act 1918* and include some of the amendments enacted by the Commonwealth in June 1995.
- 9.3 Election funding provisions allow for the reimbursement of election campaign costs to eligible political parties and to eligible independent candidates.
- 9.4 The election funding rate for the 1998 general election was \$1.13529 per eligible vote. An eligible political party must be registered and have endorsed candidates who gained more than four percent of the formal first preference votes in the district in which they stood. Independent candidates can claim funding if they gained more than four percent of the formal first preference votes in the district in which they stood.
- 9.5 The financial disclosure provisions require annual returns by registered political parties and associated entities of all amounts received and expenditure incurred by or on behalf of the party or entity during a financial year and details of outstanding debts at 30 June. All candidates in an election must furnish returns of gifts received and of electoral expenditure; persons other than registered parties, associated entities or candidates (ie third parties) who incur expenditure for a political purpose and received gifts must also furnish returns detailing those gifts; and a return of electoral expenditure must be furnished by 'third parties' who incurred electoral expenditure during an election campaign.
- 9.6 Candidates may appoint an agent to furnish the returns on their behalf. The Commission received 184 Notices of Appointment for this purpose by close of nominations for the 1998 general election. The remaining candidates are deemed to be their own agent for the election. Election funding claims are to be made within 20 weeks after polling day, ie by 2 November 1998. Candidates and third parties' returns are to be lodged with the Commission by 28 September 1998. All claims and returns for the 1998 general election will be available for public inspection at the Electoral Commission's office from 30 November 1998.

10 Voting Methods

- 10.1 Voting methods for the Legislative Assembly have been altered substantially on a number of occasions since the first Queensland Parliament of 26 Members, representing 16 districts was elected in 1860.
- 10.2 The first ten general elections held between 1860 and 1892 used a first-past-the-post method of voting. A form of optional preferential voting (OPV) was introduced at the 1893 election and was used at nineteen elections until first-past-the-post voting was reintroduced for the seven elections held between 1942 and 1962. Compulsory preferential voting was the method of election at the ten general elections held between 1962 and 1989.
- 10.3 The reintroduction of optional preferential voting (OPV) was recommended by the Electoral and Administrative Review Commission (EARC) and endorsed by Parliamentary resolution on 11 April 1991, seventy (70) votes to (9). The 1992 election was the first election in 50 years conducted under OPV and followed 30 years of compulsory preferential voting in Queensland.
- 10.4 Optional preferential voting extends electors' opportunities to exercise the franchise by adding two additional options to the preferential voting system so that a valid vote may be cast by:

- (a) Plumping for **one candidate** (ie. expressing a single primary preference for one candidate only, leaving all other squares blank);
 - or (b) Expressing a **partial distribution** of preferences (ie. expressing preferences for some but not all candidates on the ballot paper);
 - or (c) Expressing a **full set** of preferences (ie. marking the ballot paper as required under a compulsory preferential voting system).
- 10.5 Evidence from ballot paper sample surveys conducted by the Electoral Commission following the 1992 election suggests that nearly one quarter of voters (possibly 400,000 voters statewide) chose to cast a single preference for one candidate, some four percent expressed a partial distribution of preferences, and a substantial majority of electors (73%) exercised the option of voting in accordance with previous practices by indicating a full set of preferences. A similar sample of the 1995 election shows a drop of 3% in the number of voters casting a single preference for one candidate, an increase of 3% (to 76%) of voters indicating a full set of preferences while the number indicating a partial distribution of preferences remained static at 4%.
- 10.6 The reduction in the rate of informal voting from 3.0% in 1989 to 2.25% in 1992, to 1.75% in 1995 and the further reduction to 1.45% at the 1998 election, can be attributed to a number of factors including the relaxation of formality criteria and the simplification of voting methods following the introduction of optional preferential voting in 1992.

11 Types of Voting

- 11.1 To ensure the maximum opportunity for electors to cast a vote at a Legislative Assembly election, a range of voting services is provided during an election period. Table (5) shown on page 21 is a comparative analysis of vote types at the 1995 and 1998 general elections while the summary Table (1.2) at page 26 includes a summary of vote types by district at the 1998 general election. The format of the electoral district voting returns presented here includes separate listings for each of these vote types as follows:

(a) Declaration (Postal)

Postal votes are cast by electors who for a variety of reasons cannot attend a polling booth on polling day. Electors more than eight km from a polling booth, those working, travelling, ill or disabled, are entitled to apply for a postal vote.

(b) Declaration (Unenrolled) Votes

Unenrolled votes are cast by electors on polling day in the district in which they believe they are enrolled but whose names do not appear on the roll or whose names have already been crossed off the roll.

(c) Declaration (Pre-Poll in Person) Votes

PPIP are votes cast in person prior to polling day by electors who for a variety of reasons are unable to vote on polling day.

(d) Interstate and Overseas Votes

Electors interstate or overseas at the time of the election can vote either by post or by attending Queensland Government Travel Centres, interstate electoral offices or electoral locations in Los Angeles, Jakarta, London, Shanghai, Hong Kong, Tokyo, Taipei, Wellington or in Papua New Guinea.

(e) Electoral Visit Votes

These are votes taken by Issuing Officers who visit electors who because of illness, disability or advanced pregnancy, or because they are caring for such persons, cannot attend a polling booth on polling day.

(f) Declared Institution Votes

These are votes cast by patients, residents or inmates of institutions (hospitals, nursing homes, retirement hostels) declared as mobile polling booths for the purpose of the election.

(g) Ordinary Votes

These are votes cast by electors on polling day in the district for which they are enrolled.

(h) Polling Day Absent Votes

These are votes cast by electors on polling day outside the district for which they are enrolled.

(i) Remote Area Mobile Polling Votes

These are votes cast by electors at 15 polling places on 14 Islands in the Torres Strait and 5 communities in the Northern Peninsular Area. The district return for Cook provides a separate listing.

Electoral District Returns (A-Z)

Guide to Statistical Returns

The 1998 Statistical Returns for Queensland's 89 electoral districts are presented alphabetically at pp 44 to 221. A two page format is followed for each district.

On each left-hand page, district tables display the first preference count of ordinary and declaration votes in absolute (number) and relative (%) terms. Ordinary votes are recorded by candidate by polling booth. Declaration and pre-poll votes (postal, unenrolled, pre-poll, absent, electoral visit, declared institution and remote area mobile polling) are recorded by candidate. Total formal, informal and total votes are also shown for each booth and each category of declaration and pre-poll votes.

The results of distributions of preferences are also shown for the 89 electoral districts as each district was contested by more than two candidates.

Both district tables are read across the page. The results of the winning candidate are shaded.
