Foreword

The fifty-second general election of Members of the Queensland Parliament was held on Saturday 9 September 2006. The following report provides a statistical analysis of the conduct and outcome of the election.

I would like to take this opportunity to extend my sincere appreciation to the many groups and individuals who contributed to the successful management of such a major event. Candidates and political parties are to be commended for the high level of co-operation they afforded to the Commission. On election day the Commission employed well over 8000 staff in polling booths, pre-poll centres and mobile booths spread far and wide across the state. The Commission's permanent staff, Returning Officers and regular casuals worked calmly, tirelessly and efficiently in the lead up to and throughout the election to ensure a well orchestrated and highly professional event.

David Kerslake
Electoral Commissioner

Explanatory Notes

1 Introduction

- 1.1 The writ for the fifty-second general election of Members of the Queensland Legislative Assembly was issued on Tuesday 15 August 2006. The writ directed that Saturday 9 September 2006 be polling day.
- 1.2 The data and information in this publication is intended to provide a comprehensive account of polling and a documentary record for reference and research purposes. Maps illustrating the results, together with State-wide and district summary tables, are included.
- 1.3 In accordance with Section 124 of the *Electoral Act 1992*, the results of preference counts are shown for all districts whether or not a preference count was essential to determine the election result.

2 Conduct of Elections

- 2.1 The Electoral Commission of Queensland is responsible for the administration of the State's electoral laws. The functions and powers of the Commission are set out in Section 8(1) – (4) of the Electoral Act.
- 2.2 In addition to its full-time State office personnel, the Commission maintains a State-wide network of 89 district Returning Officers (and one Assistant Returning Officer in the District of Cook) employed by retainer on a part-time basis to assist in the conduct of State Elections (refer Table 1). An additional 8,400 casual employees were engaged.
- 2.3 A total of 329 candidates nominated for election in 2006 (24 less than in 2004). 283 (86%) of these candidates were endorsed by registered political parties. The remaining 46 candidates stood as independents. 97 (29.48%) candidates were women.
- 2.4 The candidates standing for election are shown in Table 4.

3 Electoral Awareness Campaign

- 3.1 Under Section 8(1) (d) of the Electoral Act, the Commission is required to 'promote public awareness of electoral matters by conducting education and information programs'.
- 3.2 This obligation was discharged through the conduct of a State-wide multi-media electoral information and awareness campaign, which included:
 - A series of television advertisements encouraging electors to update their enrolment and reminding them to look out for the Commission's Voter Information Letter informing them of their enrolled electoral district.
 - Radio advertisements which adopted the same approach as the television commercials by encouraging electors to enrol before close of rolls and reminding them to vote on polling day.
 - Press advertisements. The Commission advertised widely throughout the State in the two years leading up to the election. When the writ was issued, the key dates for the election (close of roll, close of nominations and polling day) were advertised. Other press advertisements included advice of pre-poll voting options, details of the Voter Information Letter and details of the candidates in all 89 electoral districts.
 - A State Election Voter Mailout was the main communication vehicle for the campaign and was personally addressed and posted to each of the 2.5 million electors on the roll. The mailout consisted of a personally addressed letter informing each elector of their electoral district and the location of polling booths for that District. Enclosed with the letter was a Queensland State Election '*Easyguide*' which provided information on how to vote, ways to vote on or before election day, how the vote is counted under the Optional Preferential voting system and information (in the nine languages other than English most frequently used in Queensland) on how to access the Translating and Interpreting Service for further assistance.

- With the assistance of a range of contractors, the Commission worked to ensure that every voter received this information by day 17 of the election campaign. The Commission encouraged electors to bring their letter with them on polling day to assist with the flow of voters in polling booths and ensure accurate issuing of ballot papers, particularly in relation to Declaration (Absent) votes. The mail out cost approximately 52 cents per elector. This cost included all design work, paper, envelopes, printing, mail house activity, data processing and postage by Australia Post.

3.3 The information and awareness campaign for the 2006 State General Election was a marked success, particularly the direct mail component. Less than 1.6% of the direct mail packs were returned unclaimed, some 60% of electors used the letter when they voted and there were few enquiries received about non-receipt of the material.

3.4 Table 3 shows the enrolment figures as at the Close of Rolls on 19 August 2006.

4 Political Parties

The following 6 political parties were registered when the writ for the 2006 State General Election was issued:-

Political Party	Registered Abbreviation	Date Entered on Register
Liberal Party of Australia (Queensland Division)	Liberal Party	31/07/1992
Australian Labor Party (State of Queensland)	Australian Labor Party	14/08/1992
National Party of Australia - Queensland	The Nationals	14/08/1992
Queensland Greens	The Greens	6/05/1994
One Nation Queensland Division	One Nation	23/01/2001
Family First Party Queensland	Family First Party	12/04/2006

5 Funding and Disclosure

5.1 Election funding provisions allow for the reimbursement of election campaign costs to eligible political parties and to eligible independent candidates. The election funding rate for the 2006 State General Election was \$1.43431 per eligible vote. To be eligible for funding political parties must be registered and have endorsed candidates who gained more than four per cent of the formal first preference votes in the district in which they stood. Independent candidates are eligible for funding if they gained more than four per cent of the formal first preference votes in the district in which they stood.

5.2 The financial disclosure provisions require annual returns by registered political parties and associated entities of all amounts received and expenditure incurred by or on behalf of the party or entity during a financial year and details of outstanding debts at 30 June. All candidates in an election must furnish returns of gifts received, loans received and of electoral expenditure. Persons other than registered parties, associated entities or candidates (i.e. third parties) who incur expenditure for a political purpose and receive gifts must also furnish returns detailing those gifts. Candidates, donors and third parties' returns will be available for public inspection at the Electoral Commission's office from 24 February 2007.

6 Types of Voting

Table 5 provides a comparative analysis of vote types at the 2004 and 2006 State General Elections, while Table 1.2 includes a summary of vote types by district at the 2006 State General Election.

7 Preselection Ballots

In accordance with Part 8A of the Electoral Act, the Commission has commenced its audit of a number of randomly selected preselection ballots conducted by the registered political parties. All parties that had notified the Commission of the conduct of preselection ballots were invited to the random draw. When the audits are completed, the Commission will prepare a report on its findings for tabling in Parliament.

Electoral District First Preference Votes and Distribution of Preferences

Guide to Statistical Returns

Election Results

The 2006 Statistical Returns for Queensland's 89 electoral districts are presented alphabetically. Starting with the district of Albert and finishing at the district of Yeerongpilly.

District tables display the first preference count of ordinary and declaration votes in absolute (number) and relative (%) terms. Ordinary votes are recorded by candidate by polling booth. Declaration and pre-poll votes (postal, unenrolled, pre-poll, absent, electoral visit, declared institution and remote area mobile polling) are recorded by candidate. Total formal, informal and total votes are also shown for each booth and each category of declaration and pre-poll votes.

The results of distributions of preferences are also shown for the electoral districts which are contested by more than two candidates.

Both district tables are read across the page.

Candidates are identified by registered party and are listed across the table in ballot paper order. Candidate vote percentages are calculated to the base of total formal votes. The remaining percentage columns are calculated to the base of total votes

Declaration and pre-poll votes are displayed at district, not polling booth level.

Candidate(s) are listed down the first column in order of exclusion. The Candidate vote % column is calculated to the base of votes remaining in the count. The Exhausted % column is calculated to the base of total formal votes.

Electoral District Profiles

Guide to District Profiles

District Profile pages provide additional electoral District information: geographical data, summary statistics and historical data. The comparisons shown in this section are based on State General elections only. They do not take into consideration any by-elections which may have been conducted between these events.

Sample: Albert Electoral District:

Summary Statistics record 2006 seat status by registered party and change from 2004. It will display if the seat was won on primary or preferences (also the count). The 2004-2006 results are compared across a range of attributes.

Geographical data includes geo-classification, district area, and overlapping Federal electoral divisions and local government areas.

History includes the year the district name was first used, periods when parliamentary parties held the seat, and the name, party identification and period of representation of the current Member.

 Australian Labor Party

Seat Status:

Classifies districts into one of three categories, based on results after the distribution of preferences:

- Safe = above 60% of the vote;
- Fairly Safe = between 56.01% and 59.99% of the vote; and
- Marginal = between 50.00% and 56.00% of the vote.

Geo Class (Geographical Classification)

Classifies districts into one of four categories:

- Inner Metropolitan (well-established Brisbane suburbs);
- Outer Metropolitan (more recent suburbs in the Greater Brisbane Area);
- Provincial (with a majority of electors in major provincial cities); and
- Rural (with a majority of electors outside major provincial cities).

Glossary of Terms and Abbreviations

Glossary of Terms and Abbreviations

ADE:	Average district enrolment of electors gazetted monthly, calculated by dividing the total state-wide enrolment by eighty-nine.
AEC:	Australian Electoral Commission.
CPV:	Compulsory preferential voting method used for federal House of Representatives elections. Electors are obliged to express preferences for as many candidates as appear on the ballot paper.
DECLARATION VOTES:	Sometimes called 'Special' or 'Sectional' votes. Include absent, postal, pre-poll in person, unenrolled and uncertain identity votes. Electoral visit votes are regarded as 'Ordinary Votes'.
DISCLOSURE:	Introduced for the first time at the 1995 Queensland State General Election. Financial disclosure provisions require annual returns by registered political parties, associated entities and donors to registered political parties. Returns of gifts received, loans received and election expenditure from candidates and others who incur expenditure for political purposes during an election campaign must be lodged following the election.
EA 1992:	The (Queensland) Electoral Act 1992.
EARC:	The Electoral and Administrative Review Commission (1990-1993).
ECQ:	The Electoral Commission of Queensland.
EXCLUDED CANDIDATES:	During the scrutiny under CPV and OPV the candidate with the least number of votes at each count of preferences is excluded (removed) from the count and his/her votes are then distributed to remaining candidates.
EXHAUSTED VOTES:	These are the votes of excluded candidates which show only one preference or a partial distribution of preferences (eg. 1, 2, 3 for example, in a district where say 5 candidates stood). These votes are counted to the preference indicated whereupon they 'exhaust' and go no further.
FULL DISTRIBUTION OF PREFERENCES:	The results after preferences have been allocated to the last two candidates remaining in the count (often beyond the point where a winner has been determined).
GEOCLASS:	Classifies districts into one of four categories: <ul style="list-style-type: none"> • Inner Metropolitan (well-established Brisbane suburbs); • Outer Metropolitan (more recent suburbs in the Greater Brisbane Area); • Provincial (with a majority of electors in major provincial cities); and • Rural (with a majority of electors outside major provincial cities).
IND:	Abbreviation used on occasions for Independents.
INDEPENDENT:	A candidate or parliamentarian who is not endorsed by a registered political party.
INFORMAL VOTES:	Votes not admitted to the count because, for example, the ballot paper was left blank, was incorrectly marked, or the voter's intention was unclear.
LIVE VOTES:	Votes remaining in count.
MP:	Abbreviation for Member of Parliament to the Legislative Assembly for Queensland.

OPV:	Optional preferential voting method. Electors may express preferences for one, some or all candidates on the ballot paper.
ORDINARY VOTES:	Votes cast on polling day within the district in which the elector is enrolled.
PRIMARY VOTES:	Also known as 'primaries', these are the formal first preference votes obtained by any candidate. Where no candidate has an absolute majority of primary votes, the seat is determined after (2 nd , 3 rd , 4 th ...) preferences are distributed.
PREFERENCE VOTES:	Term sometimes applied to votes expressed in order of preference after a primary (first preference), but technically the term refers to all votes recorded including the first, second, third... and later preferences.
PUBLIC FUNDING:	Introduced at the 1995 Queensland State General Election. Provisions allow for the reimbursement of election campaign costs to eligible parties and independents. Rate for the 2006 general election was \$1.43431 per eligible vote. More than four per cent of the formal first preference vote is required to claim public funding.
QUOTA:	Calculated at the start of a redistribution, this is the average number of electors determined by dividing the total number of electors by the number of districts into which the State is to be divided for representation purposes.
POLITICAL PARTY ABBREVIATIONS	LIB – Liberal Party; NPA – The Nationals; ALP – Australian Labor Party; GRN – The Greens; FFP – Family First Party; ONP – One Nation. (Abbreviations are by ECQ in complex tables for statistical purposes in lieu of the Registered Party Abbreviation)
RO:	Abbreviation for Returning Officer for a State electoral district.
REDISTRIBUTION:	The redrawing of the electoral map involving changes in electoral district boundaries.
REGISTERED POLITICAL PARTY:	A political party registered under the <i>Electoral Act 1992</i> for State electoral purposes. The Commonwealth maintains its own register.
SEAT STATUS:	Classifies districts into one of three categories, based on results after the distribution of preferences: <ul style="list-style-type: none"> • Safe = above 60% of the vote; • Fairly Safe = between 56.01% and 59.99% of the vote; and • Marginal = between 50.00% and 56.00% of the vote.
TURNOUT:	Also known as the participation rate for the election (ie the total number of voters expressed as a percentage of the total number of electors on the roll).
UNICAMERAL:	A legislature, like Queensland's, with only one chamber or house.
WEIGHTAGE:	Five State electoral districts in excess of 100,000 square kilometres are 'weighted' to the extent of the equivalent of 2% of their land area. The weightage formula adds 28,765 to the roll in the districts of Charters Towers, Cook, Gregory, Mount Isa and Warrego.
WRIT:	Instructions from the Governor to the Electoral Commissioner regarding the conduct of an election.
