**Submission text:** As a ratepayer in the LSC, I wish to vote no. This is Rockhampton just wanting the cream, and leaving us with the dirty water. They didn't want this area originally, but now it's developed, they want to take it, why don't they want the outlying areas surrounding, not worth it. There is approximately 1300 ratepayers in the area concerned, which will have a HUGE effect on the rest of us, if it goes ahead. I thought both councils had to be in favor of this proposal before it was even considered, one for, one against, proposal defeated before it gets of the ground. LSC will not be viable if it goes ahead, thus amalgamation would be on again, we have already gone down that path, and were more than happy when de amalgamation came back. Services were virtually non existant during amalgamation, just took our money and no returns. I certainly can't afford any more rates, we are one of the dearest shires in Queensland now, why make it harder. Please consider this, when you do your reviews, why should Rocky people have a say, of course they will vote for it, cheaper rates. It's a big NO,NO,NO,from me.
