Subject: VOTE NO - Leave Livingstone Alone!
Date: Sunday, 3 July 2022 2:25:54 PM

My husband and I vote NO to a boundary change for the northern suburbs of Glenlee, Glendale and Rockyview.

As residents of Livingstone Shire we value the contribution these suburbs make to the Shire and do not want the boundary changed to RRC.

Together, we will have a stronger economic future in light of the strong population and investment growth in the LSC region.

WE VOTE NO TO A BOUNDARY CHANGE!
