Re: Did you miss out on voting in the October election?

Our records indicate you may have not voted in the State General Election in October 2020.

This letter is to remind you that:

- **Voting is compulsory!**
- Penalties may apply if you fail to vote without a good reason.

But to **make sure this doesn't happen again** you should vote in future Queensland elections.

Information about ways to vote in future Queensland elections will be available on our website at www.ecq.qld.gov.au.
