**Submission text:** I'm very concerned that if the proposed boundary dispute results in the transferral of the affected suburbs to the RRC then my rates will rise even higher. Currently I pay more in rates for a house and property valued at less than \$500 000 than my in-laws do, who own a property in New Farm (Brisbane) which would easily fetch several million dollars. LSC will lose the diversity which makes it a great place to live. I don't want us to turn into a monoculture of "haves" like Byron Bay. Let sanity prevail and keep LSC boundaries as they've always been.
