## Foreword

The writ for the fiftieth general election of eighty-nine Members to the Queensland Legislative Assembly was issued on Tuesday 23 January 2001. The writ specified a minimum election period of twenty-six days with Saturday 17 February 2001 scheduled as polling day. The Commission returned the writ to His Excellency the Governor of Queensland on Friday 2 March 2001, 17 days earlier than the date specified for the return of the writ.

The 2001 election was conducted with 365 candidates and the highest number of electors enrolled to vote (2,276,044).

The Australian Labor Party secured 66 seats, the National Party of Australia 12 seats, the Liberal Party 3 seats, Pauline Hanson's One Nation 3 seats, while the remaining 5 seats of Darling Downs, Gladstone, Maryborough, Nanango and Nicklin were won by independent candidates.

To enable the Commission to conduct the 2001 State General Election and ensure the highest standards of service to the public on election day, the staff of the Commission, including eighty-nine Returning Officers, were assisted by some 7,800 polling officials employed on a casual basis to take the votes at over 1,700 polling booths throughout Queensland. I wish to record my personal thanks and appreciation to all staff for their dedication to the task.

The last possible date for the next Queensland State General Election is Saturday 15 May 2004.

## ***Explanatory Notes***

## 1 Introduction

- 1.1 This report includes an explanatory overview of the State electoral system, together with a State-wide map illustrating the 2001 election results; individual district maps and profiles accompany district returns. State-wide and district summary tables of voting responses are included.
- 1.2 In accordance with Section 124 of the *Electoral Act 1992*, the results of preference counts are shown for all districts whether or not it was essential to determine the election result.
- 1.3 This data and information is intended to provide a comprehensive account of polling and a documentary record of Queensland's fiftieth general election for reference and research purposes.

## 2 The Legislative Assembly

- 2.1 Queensland has the distinction of having the only unicameral (single house) State Parliament in Australia. The Legislative Assembly has functioned as a single chamber of the Queensland Parliament since 4 July 1922, and has grown from 26 members in 16 Districts in 1860 to 89 MPs in 2001, each representing a single electoral district.
- 2.2 The *Electoral Act 1992* establishes the guidelines for future redistributions and defines the administrative procedures for the conduct of elections and by-elections to fill vacancies in the Legislative Assembly.
- 2.3 The main distinguishing characteristics of the existing electoral system are as follows:
  - (a) elections for the unicameral legislature must be held every three years;
  - (b) universal adult suffrage of citizens applies (refer Section 6 Enrolment Qualifications);
  - (c) the electoral landscape consists of 89 districts, each of which elects one Member to the Legislative Assembly;
  - (d) enrolment and voting are compulsory. Voting is by secret ballot;
  - (e) optional preferential voting (OPV) was reintroduced as the method of voting in 1992 following 30 years of compulsory preferential voting;
  - (f) the redistribution of boundaries under the *Electoral Act 1992*, provides for a weightage equivalent of 2% of the area in five districts in excess of 100,000 km<sup>2</sup>; and
  - (g) opportunity exists to dispute the results.

## 3 Conduct of Elections

- 3.1 The Electoral Commission of Queensland, a statutory authority established by proclamation of the *Electoral Act 1992*, is the agency responsible for the administration of the State's electoral laws.
- 3.2 The Commission's mission is: *To maintain the integrity of Queensland's electoral system*. The Commission's corporate goals are:
  - (a) to impartially administer Queensland's electoral laws;
  - (b) to conduct free and democratic parliamentary and industrial ballots;
  - (c) to manage a comprehensive process for the independent review of local government boundaries; and
  - (d) to promote Queenslanders' informed participation and confidence in the electoral system.

- 3.3 The functions and powers of the Electoral Commission are specified under Section 8(1) – (4) of the *Electoral Act 1992* as follows:

Section 8

- (1)
    - (a) perform functions that are permitted or required to be performed by or under this Act, other than functions that a specified person or body, or the holder of a specified office, is expressly permitted or required to perform; and
    - (b) conduct a review of the appropriateness of the number of electoral districts whenever the Minister requests it, in writing, to conduct such a review, and report to the Minister the results of the review; and
    - (c) consider, and report to the Minister on:
      - (i) electoral matters referred to it by the Minister, and
      - (ii) such other electoral matters as it considers appropriate; and
    - (d) promote public awareness of electoral matters by conducting education and information programs and in other ways; and
    - (e) provide information and advice on electoral matters to the Legislative Assembly, the Government, Departments and government authorities; and
    - (f) conduct and promote research into electoral and other matters that relate to its functions; and
    - (g) publish material on matters that relate to its functions; and
    - (h) perform any other functions that are conferred on it by or under another Act.
  - (2) The Commission (the “Queensland Commission”) may perform any of its functions under subsection (1)(d) to (g) in conjunction with the Australian Electoral Commission.
  - (3) The Governor may arrange with the Governor-General for the performance by the Australian Electoral Commission of any functions on behalf of the Queensland Commission.
  - (4) The Commission may do all things necessary or convenient to be done for or in connection with the performance of its functions.
- 3.4 In addition to its full-time State office personnel, the Commission maintains a State-wide network of 89 district Returning Officers (and one Assistant Returning Officer in the District of Cook) employed by retainer on a part-time basis to administer routine electoral procedures and manage electoral events locally as they occur (refer Table 1). An additional 7,874 casual employees are engaged to meet the challenge of conducting a large scale electoral event such as a general election or referendum.

- 3.5 The Commission must conduct an election of a Member(s) of the Legislative Assembly once the Governor (or Speaker) issues a writ under the *Electoral Act 1992*. The timing and duration of the processes associated with the election are regulated by specific statutory provisions. Accordingly, the timetable established for the 2001 election was as follows:

## 4 Close of Rolls

- 4.1 For the 1992, 1995 and 1998 State General Elections, the close of rolls occurred on the Saturday following the issue of the writ on the Tuesday, being the minimum period of five days prescribed by the *Electoral Act 1992*. For each of these elections, the close of nominations occurred at 12 noon on Tuesday, exactly one week after the issue of the writ. This timetable worked well, as it allowed the Australian Electoral Commission (AEC) officers time to process enrolment cards on the Sunday following the close of rolls and the roll was then available on Monday immediately prior to the close of nominations on Tuesday.
- 4.2 For the 2001 State General Election, the writ specified Monday, 29 January 2001 for the close of rolls with 12 noon the next day (Tuesday, 30 January 2001) being specified for the close of nominations. The AEC was unable to complete processing enrolment transactions received by close of rolls until 9.30 pm on Tuesday 30 January 2001 (9.5 hours after close of nominations) and the roll itself was not available to the Commission until early on the Thursday, 1.5 days after the close of nominations.
- 4.3 Consequently, the Commission was unable to verify whether candidates for election and their nominators were electors on the roll for the election and therefore eligible to stand as candidates. This situation invites challenges in the Court of Disputed Returns.
- 4.4 At future elections there should be adequate time allowed between the close of rolls and the close of nominations to enable the Commission to carry out its responsibilities in relation to the eligibility of candidates.

## 5 Electoral Awareness Campaign

- 5.1 Under Section 8(1)(d) of the *Electoral Act 1992*, the Commission has a statutory responsibility to 'promote public awareness of electoral matters by conducting education and information programs and in other ways'. This obligation is discharged during an election period through the conduct of a State-wide multi-media electoral information and awareness campaign triggered by the issue of the writ.
- 5.2 The corporate objective of the 2001 campaign was to maximise the distribution, reach, impact and cost-effectiveness of all communications media utilised during the election period. Because no election had yet been conducted on the new electoral district boundaries determined by the Queensland Redistribution Commission on 7 July 1999, the Commission was required to conduct a campaign with two, equally important, objectives namely:
- to inform electors of their new electoral district boundaries as a result of the State-wide redistribution; and
  - to promote and publicise the election generally (including the dates, times and arrangements for close of rolls, nominations, polling and pre-polling and the location of polling booths) and thereby promote informed participation in the election among those qualified to vote.
- 5.3 The Commission was granted additional funds by the Cabinet Budget Review Committee so that it could deliver an enhanced information and awareness campaign which would meet the dual objectives set out above.
- 5.4 The information and awareness campaign delivered by the Commission comprised an integrated multi-media campaign which included:

Television advertisements encouraging electors to enrol, reminding electors to look out for the Commission's letter informing them of their electoral district and reminding electors to vote on polling day.

Radio advertisements which adopted the same approach as the television commercials by encouraging electors to enrol before close of rolls and reminding electors to vote on polling day. Radio advertisements were also used to publicise the delay in polling at Halifax and Lucinda which was caused by local flooding on polling day.

Press advertisements. The Commission advertised in *The Courier Mail* and major Queensland regional newspapers, as soon as the writ was issued, giving the important dates for the election (close of rolls, close of nominations, etc). Other press advertisements included one in *The Gold Coast Bulletin* informing electors of the Returning Officers for the Gold Coast electoral districts, advertisements in *The Courier Mail* and regional newspapers advising of pre-poll options, localised advertisements on polling booth changes and the delay in polling at Halifax and Lucinda, and a large advertisement in *The Courier Mail* publicising the names of the candidates in all 89 electoral districts.

A direct mail pack which was forwarded to more than 2.2 million electors on the roll for Queensland as at the close of rolls on 29 January 2001. This was the main communication vehicle for the campaign. The Commission worked with its advertising agents George Patterson Bates and Australia Post to ensure that every voter received this information by Day 18 of the election campaign. The direct mail pack consisted of a personally addressed letter informing the elector of the name of his or her electoral district, the name and contact details for the Returning Officer for that district and listing all polling booths for the district. Enclosed with the letter was a leaflet which provided information on how to vote, ways to vote on or before election day, how the vote is counted and information (in the nine most-frequently used languages in Queensland other than English) on how to access the Translating and Interpreting Service for further assistance. The mail out cost less than 59 cents per elector. This cost included all design work, paper, envelopes, printing, mailhouse activity, data processing and postage by Australia Post.

- 5.5 The information and awareness campaign for the 2001 State General Election was a marked success, particularly the direct mail component. Less than 2% of the direct mail packs were returned to sender, and virtually no complaints were received about the non-receipt of the material. Further, the turnout rate of 92.59% was only marginally less than the turnout rate for the 1998 State General Election of 92.85% (which was the highest in Queensland since 1966) and exceeded the turnout rates of 91.44% and 91.48% which had been achieved at the 1995 and 1992 elections respectively.

## 6 Electoral District Boundaries

- 6.1 The 1992, 1995 and the 1998 general elections were conducted on the electoral district boundaries determined by the Electoral and Administrative Review Commission (EARC) on 27 November 1991 under the *Electoral Districts Act 1991* (repealed by the *Electoral Act 1992*).
- 6.2 In 1998/99, the Queensland Redistribution Commission carried out the eighteenth redistribution of Queensland's electoral district boundaries (the first took place in 1864) and the first by a Commission under the *Electoral Act 1992*. The Commission's final determination on the names and boundaries of Queensland's 89 electoral districts was published in the Queensland Government Gazette on 7 July 1999.
- 6.3 The Queensland Redistribution Commission considered the following matters as set out in Part 3 of the *Electoral Act 1992* when preparing the redistribution:

- (a) the quota of electors (24,769);
  - (b) the margin of allowance whereby the quota may be departed from by not more than one-tenth more (27,246 electors) or one-tenth less (22,292 electors); and
  - (c) in respect of a proposed electoral district of at least 100,000 square kilometres in area, the quota may be departed from in that case to an extent greater than one-tenth less.
- 6.4 Subject to the matters outlined in the preceding paragraph, in determining the boundaries of the electoral districts the Queensland Redistribution Commission considered:
- (a) community of interests within the proposed electoral district – including economic, social and regional interests;
  - (b) means of communication and travel within the proposed electoral district;
  - (c) the physical features of the proposed electoral district;
  - (d) demographic trends in the State with a view to ensuring, as far as practicable, that the number of electors enrolled for districts would remain within a 10% tolerance from the average district enrolment for at least seven and a half years; and
  - (e) objections and comments on objections to the Commission's proposed electoral redistribution.
- 6.5 The boundaries of only two of Queensland's 89 electoral districts (Sandgate and Bundamba) remained completely unchanged following the redistribution. Enrolments for the 89 electoral districts as at the completion of the redistribution ranged from 22,340 (Nanango) to 27,234 (Redcliffe). The districts ranged in size from 16.44 km<sup>2</sup> (South Brisbane) to 378,021.44 km<sup>2</sup> (Gregory).
- 6.6 Provisions relating to future redistributions are incorporated in Part 3 of the *Electoral Act 1992*. Section 36 of the Act specifies the circumstances which will trigger future redistributions as follows:
- (a) If the Act is amended to change the number of electoral districts (Section 37); or
  - (b) One year elapses after three general elections or 7.5 years elapse following the last redistribution, whichever is the later (Section 38); or
  - (c) If one-third or more of the 89 electoral districts become malapportioned for 2 months in a row (Section 39).

## 7 Qualifications for Enrolment

- 7.1 Following recommendations from EARC, Queensland entered into a joint electoral roll arrangement with the Commonwealth on 4 November 1991. In addition, the *Electoral Act 1992* brought the State's enrolment qualifications in line with the Commonwealth.
- 7.2 Qualifications for enrolment appear at Section 64 of the *Electoral Act 1992*. A person is entitled to be enrolled to vote at elections for Members of the Queensland Legislative Assembly if the person has attained the age of 18 years and is:
- (a) an Australian citizen; or
  - (b) (other than an Australian citizen) a British subject whose name was, on 25 January 1984, on the roll for a federal electoral division; or (for State enrolment only) was entitled to be enrolled on the State electoral roll on 31 December 1991; and
  - (c) lives in the electoral district and has lived in it for the last month [Section 64 (1)].

7.3 A person is disqualified from enrolment and from voting if the person:

- (a) by reason of unsound mind is incapable of understanding the nature and significance of enrolment and voting; or
- (b) is serving a sentence of 5 years or longer for an offence against the law of the Commonwealth or of a State or Territory; or
- (c) has been convicted of treason or treachery and has not been pardoned.

7.4 A number of special provisions exist for electors in particular circumstances to enrol to vote including:

**(a) Provisional Enrolment**

A 17 year-old who would qualify for enrolment if 18 years of age can apply for provisional enrolment. The person's name will automatically be entered on a roll for the district for which enrolment is claimed the day that person attains the age of 18 years.

**(b) Enrolled Voters Leaving Australia**

A person who is enrolled on the electoral roll, and intends to cease to reside in Australia but intends to resume residing in Australia may apply to be registered as an 'overseas voter'.

**(c) Itinerant Electors**

A person who is in Australia but not residing within any district (and is therefore not entitled to be enrolled for any district) may apply, in writing, to be registered as an 'itinerant voter'.

**(d) Prisoners**

If not a disqualified person, the elector is entitled to remain on the roll for the district in which he/she was enrolled before serving the prison sentence.

**(e) Silent Enrolment**

Where a person considers having his/her address shown on the roll would place his/her (or family members') personal safety at risk, application may be made for enrolment as a 'silent elector'. A silent elector's address details are not shown on the roll.

**(f) Special Postal Voters**

An elector whose real place of living is not within 15 kilometres of a polling booth, may apply for enrolment as a special postal voter. Once an election is announced ballot papers are automatically despatched to these electors for voting by post.

7.5 Table (3) shows the close of roll figures for the 2001 General Election. District enrolments ranged from a low of 17,811 in Mount Isa (a weighted district) to a high of 29,191 in Burleigh. Average district enrolment at the close of roll on Monday, 29 January 2001 was 25,574. After allowances are made for the five weighted districts, ten or 8.9% of the eighty-nine districts deviated by more than ten per cent from the mean of 25,574; three districts were above and seven (including Charters Towers, Cook, Gregory, Mount Isa and Warrego, all weighted districts) below.

- (a) an adult;
  - (b) an Australian citizen;
  - (c) enrolled on the electoral roll for any electoral district; and is
  - (d) not a disqualified person as defined under the *Constitution Act 1867*, *Officials in Parliament Act 1896*, and/or the *Electoral Act 1992* (including an undischarged bankrupt, a prisoner or person subject to a periodic detention order, or a member of the Commonwealth Parliament).
- 8.2 Candidates may be nominated by the registered officer or deputy registered officer of a registered political party or six or more electors enrolled for the district concerned, none of whom has previously nominated a candidate for the election.
- 8.3 Candidates must lodge a deposit of \$250, which is refunded if the candidate withdraws or secures more than 4% of the total first preference votes at the election.
- 8.4 A total of 365 candidates nominated for election in 2001 (73 less than the 438 candidates in 1998). The range of district nominations was from two (in ten districts – Aspley, Broadwater, Bulimba, Bundaberg, Burnett, Gregory, Logan, Nudgee, Robina and Stretton districts) to nine candidates (in one district – Brisbane Central). A total of 286 or 78.35% of the 365 candidates were endorsed by registered political parties.
- 8.5 The remaining 79 candidates stood as independents.
- 8.6 One hundred and seven (29.32%) candidates were women.
- 8.7 The candidates standing for election in each of the 89 electoral districts at the 2001 election are shown in Table (4) following.

## 9 Register of Political Parties

- 9.1 Part 5 of the *Electoral Act 1992* makes provision for the registration of political parties. Once registered, parties are entitled to have their registered abbreviation (or party name if there is no registered abbreviation) printed on the ballot paper adjacent to the names of their endorsed candidates.
- 9.2 To qualify for registration under the *Electoral Act 1992* a political party must:
- (a) have at least one member in the Queensland Legislative Assembly; or
  - (b) if not already a Queensland Parliamentary Party, have a minimum membership of 500 electors.
- 9.3 Applications for membership must be on the prescribed form, include the party name and preferred abbreviation if any, set out the name and address of a registered officer, and include a copy of the party's constitution.
- 9.4 The following 9 political parties were registered when the writ for the 2001 general election was issued:-

Political Party	Registered Abbreviation	Date Entered on Register
Liberal Party of Australia (Queensland Division)	Liberal Party	31/07/92
National Party of Australia - Queensland	Queensland Nationals	14/08/92

## 10 Funding and Disclosure

- 10.1 Following EARC's (1992) recommendation and the report by the Parliamentary Committee for Electoral and Administrative Review (1993), the *Electoral Act 1992* was amended in December 1994, to incorporate provisions relating to the partial funding of elections and financial disclosure by candidates, parties and other persons.
- 10.2 The provisions, incorporated in the Schedule to the *Electoral Act 1992*, are based on those contained in the Commonwealth *Electoral Act 1918* and include some of the amendments enacted by the Commonwealth in June 1995.
- 10.3 Election funding provisions allow for the reimbursement of election campaign costs to eligible political parties and to eligible independent candidates.
- 10.4 The election funding rate for the 2001 general election was 1.17267 per eligible vote. An eligible political party must be registered and have endorsed candidates who gained more than four per cent of the formal first preference votes in the district in which they stood. Independent candidates can claim funding if they gained more than four per cent of the formal first preference votes in the district in which they stood.
- 10.5 The financial disclosure provisions require annual returns by registered political parties and associated entities of all amounts received and expenditure incurred by or on behalf of the party or entity during a financial year and details of outstanding debts at 30 June. All candidates in an election must furnish returns of gifts received and of electoral expenditure; persons other than registered parties, associated entities or candidates (i.e. third parties) who incur expenditure for a political purpose and received gifts must also furnish returns detailing those gifts; and a return of electoral expenditure must be furnished by 'third parties' who incurred electoral expenditure during an election campaign.
- 10.6 Candidates may appoint an agent to furnish the returns on their behalf. The Commission received 140 Notices of Appointment for this purpose by close of nominations for the 2001 general election. The remaining candidates were deemed to be their own agent for the election. Election funding claims are to be made within 20 weeks after polling day, i.e. by 9 July 2001. Candidates and third parties' returns are to be lodged with the Commission by 4 June 2001. All claims and returns for the 2001 general election will be available for public inspection at the Electoral Commission's office from 6 August 2001.

## 11 Voting Methods

- 11.1 Voting methods for the Legislative Assembly have been altered substantially on a number of occasions since the first Queensland Parliament of 26 Members, representing 16 districts, was elected in 1860.
- 11.2 The first ten general elections held between 1860 and 1892 used a first-past-the-post method of voting. A form of optional preferential voting (OPV) was introduced at the 1893 election and was used at nineteen elections until first-past-the-post voting was reintroduced for the seven elections held between 1942 and 1962. Compulsory preferential voting was the method of election at the ten general elections held between 1962 and 1989.
- 11.3 The reintroduction of optional preferential voting (OPV) was recommended by the Electoral and Administrative Review Commission (EARC) and endorsed by Parliamentary resolution on 11 April 1991, seventy (70) votes to (9). The 1992 election was the first election in 50 years conducted under OPV and followed 30 years of compulsory preferential voting in Queensland.

- 11.4 Optional preferential voting extends electors' opportunities to exercise the franchise by adding two additional options to the preferential voting system so that a valid vote may be cast by:
- (a) Plumping for **one candidate** (i.e. expressing a single primary preference for one candidate only, leaving all other squares blank);
  - or (b) Expressing a **partial distribution** of preferences (i.e. expressing preferences for some but not all candidates on the ballot paper);
  - or (c) Expressing a **full set** of preferences (i.e. marking the ballot paper as required under a compulsory preferential voting system).
- 11.5 The reduction in the rate of informal voting from 3.0% in 1989 to 2.25% in 1992, to 1.75% in 1995 and to 1.45% at the 1998 election was reversed in 2001 when it rose to 2.27%.

## 12 Types of Voting

- 12.1 To ensure the maximum opportunity for electors to cast a vote at a Legislative Assembly election, a range of voting services is provided during an election period. Table (5) shown on page 23 is a comparative analysis of vote types at the 1998 and 2001 general elections while the summary Table (1.2) at page 27 includes a summary of vote types by district at the 2001 general election. The format of the electoral district voting returns presented here includes separate listings for each of these vote types as follows:
- (a) **Declaration (Postal)**  
Cast by electors who for a variety of reasons cannot attend a polling booth on polling day. Electors more than eight kilometres from a polling booth, those working, travelling, ill or disabled, are entitled to apply for a postal vote.
  - (b) **Declaration Unenrolled Votes**  
Cast by electors on polling day in the district in which they believe they are enrolled but whose names do not appear on the roll.
  - (c) **Declaration (Pre-Poll in Person) Votes**  
Cast in person prior to polling day by electors who for a variety of reasons are unable to vote on polling day.
  - (d) **Interstate and Overseas Votes**  
Electors interstate or overseas at the time of the election can vote either by post or by attending Queensland Government Travel Centres, interstate electoral offices or locations in Los Angeles, Jakarta, London, Shanghai, Hong Kong, Tokyo, Taipei, Wellington or in Papua New Guinea.
  - (e) **Electoral Visit Votes**  
Taken by Issuing Officers who visit electors who because of illness, disability or advanced pregnancy, or because they are caring for such persons, cannot attend a polling booth on polling day.
  - (f) **Declared Institution Votes**  
Cast by patients, residents or inmates of institutions (hospitals, nursing homes, retirement hostels) declared as mobile polling booths for the purpose of the election.
  - (g) **Ordinary Votes**  
Cast by electors on polling day in the district for which they are enrolled.

**(h) Polling Day Absent Votes**

Cast by electors on polling day outside the district for which they are enrolled.

**(i) Remote Area Mobile Polling Votes**

Cast by electors at 20 polling places on 16 Islands in the Torres Strait and 8 communities in the Northern Peninsular Area. The district return for Cook provides a separate listing.

## ***Electoral District Returns (A-Z)***

## Guide to Statistical Returns

The 2001 Statistical Returns for Queensland's 89 electoral districts are presented alphabetically at pp C7 to C185. A two page format is followed for each district.

On each left-hand page, district tables display the first preference count of ordinary and declaration votes in absolute (number) and relative (%) terms. Ordinary votes are recorded by candidate by polling booth. Declaration and pre-poll votes (postal, unenrolled, pre-poll, absent, electoral visit, declared institution and remote area mobile polling) are recorded by candidate. Total formal, informal and total votes are also shown for each booth and each category of declaration and pre-poll votes.

The results of distributions of preferences are also shown for the electoral districts which were contested by more than two candidates.

Both district tables are read across the page. The results of the winning candidate are shaded.

## Glossary of Terms and Abbreviations

<b>ADE:</b>	Average district enrolment of electors gazetted monthly, calculated by dividing the total state-wide enrolment by eighty-nine.
<b>AEC:</b>	Australian Electoral Commission.
<b>CPV:</b>	Compulsory preferential voting method used for federal House of Representatives elections. Electors are obliged to express preferences for as many candidates as appear on the ballot paper.
<b>DECLARATION VOTES:</b>	Sometimes called 'Special' or 'Sectional' votes. Include absent, postal, pre-poll in person, unenrolled and uncertain identity votes. Electoral visit votes are regarded as 'Ordinary Votes'.
<b>DISCLOSURE:</b>	Introduced for the first time at the 1995 general election. Financial disclosure provisions require annual returns by registered political parties and associated entities, and returns of gifts and election expenditure from candidates and others who incur expenditure for political purposes during an election campaign.
<b>EA 1992:</b>	The (Queensland) Electoral Act 1992.
<b>EARC:</b>	The Electoral and Administrative Review Commission (1990-1993).
<b>ECQ:</b>	The Electoral Commission of Queensland.
<b>EXCLUDED CANDIDATES:</b>	During the scrutiny under CPV and OPV the candidate with the least number of votes at each count of preferences is excluded (removed) from the count and his/her votes are then distributed to remaining candidates.
<b>EXHAUSTED VOTES:</b>	These are the votes of excluded candidates which show only one preference or a partial distribution of preferences (eg. 1, 2, 3 for example, in a district where say 5 candidates stood). These votes are counted to the preference indicated whereupon they 'exhaust' and go no further.
<b>FULL DISTRIBUTION OF PREFERENCES:</b>	The results after preferences have been allocated to the last two candidates remaining in the count (often beyond the point where a winner has been determined).
<b>GEOCLASS:</b>	Classifies districts into one of four categories: <ul style="list-style-type: none"> <li>• Inner Metropolitan (well-established Brisbane suburbs);</li> <li>• Outer Metropolitan (more recent suburbs in the Greater Brisbane Area);</li> <li>• Provincial (with a majority of electors in major provincial cities); and</li> <li>• Rural (with a majority of electors outside major provincial cities).</li> </ul>
<b>IND:</b>	Abbreviation used on occasions for Independents.
<b>INDEPENDENT:</b>	A candidate or parliamentarian who is not endorsed by a registered political party.
<b>INFORMAL VOTES:</b>	Votes not admitted to the count because, for example, the ballot paper was left blank, was incorrectly marked, or the voter's intention was unclear.
<b>LIVE VOTES:</b>	Votes remaining in count.
<b>MP:</b>	Abbreviation for Member of Parliament to the Legislative Assembly for Queensland.

<b>OPV:</b>	Optional preferential voting method. Electors may express preferences for one, some or all candidates on the ballot paper.
<b>ORDINARY VOTES:</b>	Votes cast on polling day within the district in which the elector is enrolled.
<b>PRIMARY VOTES:</b>	Also known as 'primaries', these are the formal <b>first</b> preference votes obtained by any candidate. Where no candidate has an absolute majority of primary votes, the seat is determined after (2 <sup>nd</sup> , 3 <sup>rd</sup> , 4 <sup>th</sup> ...) preferences are distributed.
<b>PREFERENCE VOTES:</b>	Term sometimes applied to votes expressed in order of preference <b>after</b> a primary (first preference), but technically the term refers to all votes recorded including the first, second, third... and later preferences.
<b>PUBLIC FUNDING:</b>	Introduced at the 1995 general election. Provisions allow for the reimbursement of election campaign costs to eligible parties and independents. Rate for the 2001 general election was \$1.17267 per eligible vote. More than four per cent of the formal first preference vote is required to claim public funding.
<b>QUOTA:</b>	Calculated at the start of a redistribution, this is the average number of electors determined by dividing the total number of electors by the number of districts into which the State is to be divided for representation purposes.
<b>POLITICAL PARTY ABBREVIATIONS</b>	LIB – Liberal Party; NPA – Queensland Nationals; ALP – Australian Labor Party; GRN – The Greens; DEM – Democrats; AWP – Australian Women's Party – Queensland; CDP – C.D.P. (QLD.); CCA – CCAQ; ONP – Pauline Hanson's One Nation. (Abbreviations are used in complex tables for statistical purposes by ECQ in lieu of the Registered Party Abbreviation)
<b>RO:</b>	Abbreviation for Returning Officer for a State electoral district.
<b>REDISTRIBUTION:</b>	The redrawing of the electoral map involving changes in electoral district boundaries.
<b>REGISTERED POLITICAL PARTY:</b>	A political party registered under the <i>Electoral Act 1992</i> for State electoral purposes. The Commonwealth maintains its own register.
<b>SEAT STATUS:</b>	Classifies districts into one of three categories, based on results after the distribution of preferences: <ul style="list-style-type: none"> <li>• Safe = above 60% of the vote;</li> <li>• Fairly Safe = between 56.01% and 59.99% of the vote; and</li> <li>• Marginal = between 50.00% and 56.00% of the vote.</li> </ul>
<b>TURNOUT:</b>	Also known as the participation rate for the election (ie the total number of voters expressed as a percentage of the total number of electors on the roll).
<b>UNICAMERAL:</b>	A legislature, like Queensland's with only one chamber or house.
<b>WEIGHTAGE:</b>	Five State electoral districts in excess of 100,000 square kilometres are 'weighted' to the extent of the equivalent of 2% of their land area. The weightage formula adds 28,765 to the roll in the districts of Charters Towers, Cook, Gregory, Mount Isa and Warrego.
