**Submission Details**

**Name:** Karyn Begeman

**Privacy preferences:** Publishing your submission and your name

**Submission text:** The suburbs in question have always been a part of LSC (except through amalgamation). LSC have invested a lot of time and money into these suburbs. LSC depends on rates from these suburbs to enable current and future plans to continue. This land grab from RCC will affect the entire shire of LSC. We don't agree with this change and according to the current legislation if there is no agreement between councils then it doesn't go ahead.

**File upload:** No file uploaded ()
