Submission text: The whole vote process is totally unfair and undemocratic it should only be for ratepayers in the three suburbs to have a vote.. RRC has no right to take these three suburbs. They will benefit from something they have put nothing into at the expense of LSC ratepayers. What guarantee is there of compensation for LSC ratepayers. RRC does not need LSC land to be able to expand as they can expand towards Mt Morgan. They only want these suburbs because they have already been developed. RRC will develop them into 400sq mtr ghettos instead of rural residential blocks.
