

# Leave Richlands ALONE

The State Election committee have proposed boundary change to our local government area. These changes mean we will no longer be in the **Forest Lake Ward** (formerly the Richlands Ward), alongside suburb like Forest Lake and Inala, and they will move us into the same Council area as Westlake and Sinnamonn Park.

This will not be a good move for our area, as our community will benefit more from having a local representative.

**If you live in the below area YOU are impacted.**

We have to cross the industrial estate, a 6 lane freeway and pass through other suburbs to get to our Councillor office if they move us away from Inala!

Dear electorate commission,

I object to the change of moving Richlands from Inala and Forest Lake area. We wish to remain in the Forest Lake Ward. You already abolished Richlands Ward, leave our community ALONE!

We are separated by massive industrial estate and highway from Jamboree. Many people cant get there, so leave Richlands ALONE!

# SAVE RICHLANDS

Did you know there are plans to move Richlands residents into a different ward for the upcoming Brisbane City Council elections?

**SIGN THE PETITION  
AND SAY NO**

Dear «FirstName»,

The Electoral Commission Queensland (ECQ) has released plans to move the residents of Richlands into a different Ward for the upcoming Brisbane City Council Elections.

After many decades of belonging to the Richlands and Forest Lake Wards, the planned move would see Richlands residents become part of the Centenary Suburbs for the 2020 election.

Many residents have contacted me to voice their frustration and anger about this planned move.

There are 2 things you can do to have your voice heard against this planned action.

1. Sign the petition below and used the enclosed pre-paid envelope to post back to my office
2. Make a direct submission to the ECQ by email – [LGCCsubmissions@ecq.qld.gov.au](mailto:LGCCsubmissions@ecq.qld.gov.au) by Monday 9 September

Tell the ECQ to keep our community together.

Regards,

**Milton Dick MP**  
Federal Member for Oxley

**Charles Strunk**  
Councillor for Forest Lake Ward
