Submission text: It cant be legal for this vote to go ahead when there are may be 60,000 voters in rockhampton and say 30,000 voters in livingstone . if some one challenged this in court they would have to win these suburbs have always been part of livingstone except for short time in amalgamation this seems to be a ploy by rockhampton and the queensland goverment to make livingstone unviable to take it over again rockhampton should not have a vote only 3 affected surburbs and livingstone the government should of never let this go to a vote
