**Submission text:** The amalgamation of the three councils into one, to become Moreton Bay regional Council, has left such a division in the communities, that to change an already established all be it divisive community into a city will only cause more of a division. Moreton bay region is neither, a city or urban, or rural as a whole, it IS NOT A CITY. this community needs direction and a purpose of complete unity, making it a 'city' will not bring that unity. Besides that, the money can be better used in fixing up roads, and other infrastructure
