Decision

To facilitate the conduct of the 2021 Winton Shire Council by-election to be held on 6 February 2021, this document advises of the unavailability of electronically assisted voting services (telephone voting) in accordance with section 75D of the *Local Government Electoral Act 2011*.

The Electoral Commission of Queensland (ECQ) often facilitates telephone voting under section 67(1)(d) of the *Local Government Electoral Act 2011*. However, for the 2021 Winton Shire Council by-election, the ECQ has determined that the telephone voting service will not be provided.

The ECQ is satisfied that due to the small number of electors enrolled within the Winton Shire Council, the most efficient and accessible voting services for the community will be to provide in-person early voting, election day voting and postal voting. These services will be provided to enrolled electors to facilitate their participation in the by-election.

Effective

This decision has effect for the 2021 Winton Shire Council by-election and remains in place until the close of voting for the by-election on Saturday, 6 February 2021.
