## Foreword

The writ for the fifty-first general election of Members of the Queensland Legislative Assembly was issued on Tuesday 13 January 2004. The writ directed that Saturday 7 February 2004 be polling day. The specified dates provided for the minimum election period of twenty-six days. Following the conclusion of all counting and declarations of the poll in the 89 Districts, the writ was returned to Her Excellency the Governor of Queensland on Friday 20 February 2004.

The election attracted 353 candidates and a new record number of electors enrolled to vote (2,400,977); a reflection of the continuing growth throughout the State.

As was the case in 2001, the Australian Labor Party formed the new government. The final seat status was:

- Australian Labor Party           63,
- Nationals                         15,
- Liberal Party                    5,
- One Nation                     1, and
- Independent                    5. (Gladstone, Gympie, Maryborough, Nanango and Nicklin)

The election was conducted successfully through the efforts of the dedicated permanent staff of the Commission, a band of reliable casual officers, the 89 Returning Officers and some 8,200 polling officials who staffed over 2,500 polling booths, pre-poll centres and mobile booths throughout Queensland. I wish to record my personal thanks and appreciation to all staff for their dedication to the task. I also want to acknowledge the efforts of the candidates, their supporters and the political parties who co-operated with the Commission to ensure that the highest standard of democratic service was provided to the citizens of the State.

In accordance with the provisions of the *Constitution Amendment Act 1890* and the *Electoral Act 1992*, the last possible date for the next Queensland State General Election is Saturday 5 May 2007.

## Explanatory Notes

## 1 Introduction

- 1.1 This report includes an explanatory overview of the State electoral system, together with maps illustrating the 2004 election results, individual district maps, profiles and district returns. State-wide and district summary tables of voting responses are included.
- 1.2 In accordance with Section 124 of the *Electoral Act 1992*, the results of preference counts are shown for all districts whether or not it was essential to determine the election result.
- 1.3 This data and information is intended to provide a comprehensive account of polling and a documentary record of Queensland's fifty-first general election for reference and research purposes.

## 2 The Legislative Assembly

- 2.1 Queensland has the distinction of having the only unicameral (single house) State Parliament in Australia. The Legislative Assembly has functioned as a single chamber of the Queensland Parliament since 4 July 1922, and has grown from 26 members in 16 Districts in 1860 to 89 MPs in 2004, each representing a single electoral district.
- 2.2 The *Electoral Act 1992* establishes the guidelines for future redistributions and defines the administrative procedures for the conduct of elections and by-elections to fill vacancies in the Legislative Assembly.
- 2.3 The main distinguishing characteristics of the existing electoral system are as follows:
  - (a) elections for the unicameral legislature must be held every three years;
  - (b) universal adult suffrage of citizens applies (refer page A9 - Qualifications for Enrolment);
  - (c) the electoral landscape consists of 89 districts, each of which elects one Member to the Legislative Assembly;
  - (d) enrolment and voting are compulsory and voting is by secret ballot;
  - (e) optional preferential voting (OPV) was reintroduced as the method of voting in 1992 following 30 years of compulsory preferential voting;
  - (f) the redistribution of boundaries under the *Electoral Act 1992*, provides for a weightage equivalent of 2% of the area in five districts in excess of 100,000 km<sup>2</sup>; and
  - (g) opportunity exists to dispute the results.

## 3 Conduct of Elections

- 3.1 The Electoral Commission of Queensland, an independent statutory authority established by proclamation of the *Electoral Act 1992*, is the agency responsible for the administration of the State's electoral laws.
- 3.2 The Commission's mission is: *To maintain the integrity of Queensland's electoral system.*
- 3.3 The Commission's corporate goals are:
  - (a) to impartially administer Queensland's electoral laws;
  - (b) to conduct free and democratic parliamentary, local government and industrial elections;

- (c) to manage a comprehensive process for the independent review of local government boundaries; and
- (d) to promote Queenslanders' informed participation and confidence in the electoral system.

3.4 The functions and powers of the Electoral Commission are specified under Section 8(1) – (4) of the *Electoral Act 1992* as follows:

Section 8

- (1)
  - (a) perform functions that are permitted or required to be performed by or under this Act, other than functions that a specified person or body, or the holder of a specified office, is expressly permitted or required to perform; and
  - (b) conduct a review of the appropriateness of the number of electoral districts whenever the Minister requests it, in writing, to conduct such a review, and report to the Minister the results of the review; and
  - (c) consider, and report to the Minister on:
    - (i) electoral matters referred to it by the Minister, and
    - (ii) such other electoral matters as it considers appropriate; and
  - (d) promote public awareness of electoral matters by conducting education and information programs and in other ways; and
  - (e) implement strategies to encourage persons, particularly those belonging to groups with traditionally low enrolment rates, to enrol as electors; and
  - (f) implement strategies to maintain the integrity of the electoral rolls; and
  - (g) provide information and advice on electoral matters to the Legislative Assembly, the Government, Departments and government authorities; and
  - (h) conduct and promote research into electoral and other matters that relate to its functions; and
  - (i) publish material on matters that relate to its functions; and
  - (j) perform any other functions that are conferred on it by or under another Act.
- (2) The Commission (the “Queensland Commission”) may perform any of its functions under subsection (1) (d) to (i) in conjunction with the Australian Electoral Commission.
- (3) The Governor may arrange with the Governor-General for the performance by the Australian Electoral Commission of any functions on behalf of the Queensland Commission.
- (4) The Commission may do all things necessary or convenient to be done for or in connection with the performance of its functions.

3.5 In addition to its full-time State office personnel, the Commission maintains a State-wide network of 89 district Returning Officers (and one Assistant Returning Officer in the District of Cook) employed by retainer on a part-time basis to administer routine electoral procedures and manage electoral events locally as they occur (refer Table 1). An additional 8,200 casual employees are engaged to meet the challenge of conducting a large scale electoral event such as a general election or referendum.

## 4 Close of Rolls

- 4.1 For the 1992, 1995 and 1998 State General Elections, the close of rolls occurred on the Saturday following the issue of the writ on the Tuesday, being the minimum period of five days prescribed by the *Electoral Act 1992*. For each of these elections, the close of nominations occurred at 12 noon on Tuesday, exactly one week after the issue of the writ. This timetable worked well as it allowed Australian Electoral Commission (AEC) officers time to process enrolment cards on the Sunday following the close of rolls and the roll was then available on Monday immediately prior to the close of nominations on Tuesday.
- 4.2 For the 2004 State General Election, as was the case with the 2001 State General Election, the writ specified the following Monday (19 January 2004) for the close of rolls with 12 noon the next day (Tuesday, 20 January 2004) being specified for the close of nominations. Due to the large number of enrolment cards lodged just prior to the close of rolls that were required to be processed by the AEC, the roll was not available to the Commission until early on Wednesday 21 January 2004, the day after the close of nominations.
- 4.3 Consequently, it was difficult to verify with certainty whether candidates for election (and their nominators) were electors on the roll for the election and therefore eligible to stand as candidates.

## 5 Electoral Awareness Campaign

- 5.1 Under Section 8(1) (d) of the *Electoral Act 1992*, the Commission has a statutory responsibility to 'promote public awareness of electoral matters by conducting education and information programs and in other ways'. This obligation is discharged during an election period through the conduct of a State-wide multi-media electoral information and awareness campaign triggered by the issue of the writ.
- 5.2 The corporate objective of the 2004 campaign was to maximise the distribution, reach, impact and cost-effectiveness of all communications media utilised during the election period. The Commission conducted a campaign with two equally important objectives, namely:
- to encourage all Queenslanders, particularly those within groups identified as having traditionally low enrolment rates (young people, older Queenslanders, people living in rural and remote areas of the State, people from a non-English speaking background and Aboriginals and Torres Strait Islanders) to enrol as electors; and
  - to promote and publicise the election generally (including dates, times and arrangements for close of rolls, nominations, polling and pre-polling and the location of polling booths) and thereby promote informed participation in the election among those qualified to vote.
- 5.3 In 2002, the Commission was provided with additional funds by the Cabinet Budget Review Committee so that it could deliver an enhanced information and awareness campaign which would meet the first of these objectives. In essence, the funding for on-going community awareness provided a springboard for the specific election campaign. Through 2002 and 2003, targeted campaigns directed at the five groups outlined earlier were rolled out with the common theme of "Have your say". This theme was carried through to the election campaign so that there was some "brand awareness" for the process of enrolment linked to voting. Post election evaluation of the approach suggested that the campaign was successful.

- 5.4 The overall information and awareness campaign delivered by the Commission comprised an integrated multi-media campaign which included:
- A series of television advertisements encouraging electors to enrol, reminding electors to look out for the Commission's Voter Information Letter informing them of their enrolled electoral district and reminding electors to vote on polling day.
  - Radio advertisements which adopted the same approach as the television commercials by encouraging electors to enrol before close of rolls and reminding electors to vote on polling day.
  - Press advertisements. The Commission advertised widely throughout the State in the two years leading up to the election. When the writ was issued, the key dates for the election (close of roll, close of nominations and polling day) were advertised. Other press advertisements included advice of pre-poll voting options, details of the Voter Information Letter and details of the candidates in all 89 electoral districts.
  - A State Election Voter Mailout was the main communication vehicle for the campaign and was personally addressed and forwarded to each of the 2.4 million electors on the roll for Queensland as at the close of rolls on 19 January 2004. With the assistance of a range of contractors, the Commission worked to ensure that every voter received this information by day 17 of the election campaign. The Mailout consisted of a personally addressed letter informing the elector of the name of his or her electoral district and a listing of all polling booths appointed for the District. Enclosed with the letter was a Queensland State Election "easyguide" which provided information on how to vote, ways to vote on or before election day, how the vote is counted under the Optional Preferential voting system and information (in the nine languages other than English most frequently used in Queensland) on how to access the Translating and Interpreting Service for further assistance. The Commission encouraged electors to bring their letter with them on polling day to assist with the flow of voters in polling booths and ensure accurate issuing of ballot papers, particularly in relation to Declaration (Absent) votes. The mail out cost approximately 56 cents per elector. This cost included all design work, paper, envelopes, printing, mail house activity, data processing and postage by Australia Post.
- 5.5 The information and awareness campaign for the 2004 State General Election was a marked success, particularly the direct mail component. Less than 1.9% of the direct mail packs were returned unclaimed, some 60% of electors used the letter when they voted and there were few enquiries received about non-receipt of the material.

## 6 Electoral District Boundaries

- 6.1 In 1998/99, the Queensland Redistribution Commission carried out the eighteenth redistribution of Queensland's electoral district boundaries (the first took place in 1864); the first by a Commission under the *Electoral Act 1992*. The Commission's final determination on the names and boundaries of Queensland's 89 electoral districts was published in the Queensland Government Gazette on 7 July 1999.
- 6.2 The 2004 Queensland State Election was the second conducted using these electoral boundaries.
- 6.3 Provisions relating to future redistributions are incorporated in Part 3 of the *Electoral Act 1992*. Section 36 of the Act specifies the circumstances which will trigger future redistributions as follows:
- (a) If the Act is amended to change the number of electoral districts (Section 37); or

- (b) One year elapses after three general elections or 7.5 years elapse following the last redistribution, whichever is the later (Section 38); or
  - (c) If one-third or more of the 89 electoral districts become malapportioned for 2 months in a row (Section 39).
- 6.4 At the close of rolls for the election, there were eighteen electoral districts out of quota (that is, more than 10% above or below the average District enrolment). A redistribution of Queensland's electoral boundaries will not be due until after the next State General Election (section 38), for which the last possible date is Saturday, 5 May 2007, unless more than one-third of the electoral districts become malapportioned for 2 months in a row before this time. However, if the need for a redistribution arises more than 16 months after the day on which the Writ for the previous election was returned (20 June 2005), the Commission must defer undertaking the redistribution until after the return of the Writ for the next State General Election.

## 7 Qualifications for Enrolment

- 7.1 Following recommendations from Electoral and Administrative Review Commission (EARC), Queensland entered into a joint electoral roll arrangement with the Commonwealth on 4 November 1991. In addition, the *Electoral Act 1992* brought the State's enrolment qualifications in line with the Commonwealth.
- 7.2 Qualifications for enrolment appear at Section 64 of the *Electoral Act 1992*. A person is entitled to be enrolled to vote at elections for Members of the Queensland Legislative Assembly if the person has attained the age of 18 years and is:
- (a) an Australian citizen; or
  - (b) (other than an Australian citizen) a British subject whose name was, on 25 January 1984, on the roll for a federal electoral division; or (for State enrolment only) was entitled to be enrolled on the State electoral roll on 31 December 1991; and
  - (c) lives in the electoral district and has lived in it for the last month (Section 64 (1)).
- 7.3 A person is disqualified from enrolment and from voting if the person:
- (a) by reason of unsound mind is incapable of understanding the nature and significance of enrolment and voting; or
  - (b) is serving a sentence of 5 years or longer for an offence against the law of the Commonwealth or of a State or territory; or
  - (c) has been convicted of treason or treachery and has not been pardoned.
- 7.4 A number of special provisions exist for electors in particular circumstances to enrol to vote including;
- (a) **Provisional Enrolment**  
A 17 year-old who would qualify for enrolment if 18 years of age can apply for provisional enrolment. The person's name will automatically be entered on a roll for the district for which enrolment is claimed the day that person attains the age of 18 years.
  - (b) **Enrolled Voter Leaving Australia**  
A person who is enrolled on the electoral roll, and intends to cease to reside in Australia but intends to resume residing in Australia may apply to be enrolled as an 'overseas voter'.

**(c) Itinerant Electors**

A person who is in Australia but not residing within any district (and is therefore not entitled to be enrolled for any district) may apply, in writing, to be registered as an 'itinerant voter'.

**(d) Prisoners**

If not a disqualified person, the elector is entitled to remain on the roll for the District in which he or she was enrolled before serving the prison sentence.

**(e) Silent Enrolment**

Where a person considers having his/her address shown on the roll would place his/her (or family members') personal safety at risk, application may be made for enrolment as a 'silent elector'. A silent elector's address details are not shown on the roll.

- 7.5 Table (3) shows the close of roll figures for the 2004 State General Election. District enrolments ranged from a low of 16,946 in Mount Isa (a weighted district) to a high of 32,214 in Kurwongbah. Average district enrolment at the close of roll on Monday, 19 January 2004 was 26,977. ## 10 Funding and Disclosure

- 10.1 Following EARC's (1992) recommendation and the report by the Parliamentary Committee for Electoral and Administrative Review (1993), the *Electoral Act 1992* was amended in December 1994, to incorporate provisions relating to the partial funding of elections and financial disclosure by candidates, parties and other persons.
- 10.2 The provisions, incorporated in the Schedule to the *Electoral Act 1992*, are based on those contained in the *Commonwealth Electoral Act 1918* and include some of the amendments enacted by the Commonwealth since 1994.
- 10.3 Election funding provisions allow for the reimbursement of election campaign costs to eligible political parties and to eligible independent candidates.
- 10.4 The election funding rate for the 2004 State General Election was \$1.32498 per eligible vote. An eligible political party must be registered and have endorsed candidates who gained more than four per cent of the formal first preference votes in the district in which they stood. Independent candidates can claim funding if they gained more than four per cent of the formal first preference votes in the district in which they stood.

- 10.5 The financial disclosure provisions require annual returns by registered political parties and associated entities of all amounts received and expenditure incurred by or on behalf of the party or entity during a financial year and details of outstanding debts at 30 June. All candidates in an election must furnish returns of gifts received, loans received and of electoral expenditure. Persons other than registered parties, associated entities or candidates (i.e. third parties) who incur expenditure for a political purpose and received gifts must also furnish returns detailing those gifts. A return of electoral expenditure must be furnished by 'third parties' who incurred electoral expenditure during an election campaign.

For the first time, following the 2004 State General Election, broadcasters and publishers who broadcast or published election advertisements during the election period were required to lodge returns giving details of the advertisements and persons who made gifts of \$200.00 or more to a candidate or candidates at the election were required to lodge returns giving details of gifts made.

- 10.6 Candidates may appoint an agent to furnish the returns on their behalf. The Commission received 4 Notices of Appointment for this purpose by close of nominations for the 2004 State General Election. The remaining candidates were deemed to be their own agent for the election. Election funding claims are to be made within 20 weeks after polling day, i.e. by 28 June 2004. Broadcasters and publishers returns are to be lodged with the Commission by 5 April 2004. Candidates, donors and third parties' returns are to be lodged with the Commission by 24 May 2004. All claims and returns for the 2004 State General Election will be available for public inspection at the Electoral Commission's office from 27 July 2004.

## 11 Voting Methods

- 11.1 Voting methods for the Legislative Assembly have been altered substantially on a number of occasions since the first Queensland Parliament of 26 Members, representing 16 districts, was elected in 1860.
- 11.2 The first ten general elections held between 1860 and 1892 used a first-past-the-post method of voting. A form of optional preferential voting (OPV) was introduced at the 1893 election and was used at nineteen elections until first-past-the-post voting was reintroduced for the seven elections held between 1942 and 1962. Compulsory preferential voting was the method of election at the ten general elections held between 1962 and 1989.
- 11.3 The reintroduction of optional preferential voting (OPV) was recommended by the EARC and endorsed by Parliamentary resolution on 11 April 1991, seventy (70) votes to (9). The 1992 election was the first election in 50 years conducted under OPV and followed 30 years of compulsory preferential voting in Queensland.
- 11.4 Optional preferential voting extends elector's opportunities to exercise the franchise by adding two additional options to the preferential voting system so that a valid vote may be cast by:
- (a) Plumping for **one candidate** (i.e. expressing a single primary preference for one candidate only, leaving all other squares blank); or
  - (b) Expressing a **partial distribution** of preferences (i.e. expressing preferences for some but not all candidates on the ballot paper); or
  - (c) Expressing a **full set** of preferences (i.e. marking the ballot paper as required under a compulsory preferential voting system).
- 11.5 The rate of informal voting reduced from 2.27% in 2001 to 1.99% for the 2004 election.

## 12 How-to-Vote Cards

- 12.1 On 19 April 2002 the *Electoral Act 1992* was amended to provide for the lodgement with the Commission of how-to-vote cards intended for distribution on polling day by candidates and registered political parties.
- 12.2 The 2004 Queensland State Election was the first major electoral event to be subject to the new legislation.
- 12.3 The deadline for the lodgement of how-to-vote cards was 5.00pm on Friday, 30 January 2004 (1 week before polling day). How-to-vote cards that were not lodged in accordance with the Act could not be distributed on polling day.
- 12.4 By the deadline, all registered political parties and most independent candidates had lodged cards with either the local Returning Officer or with the Commission's Head Office.
- 12.5 All lodged cards were available for inspection in the week before polling day and, as a result, added a new level of transparency to the electoral process.

## 13 Types of Voting

- 13.1 To ensure the maximum opportunity for electors to cast a vote at a Legislative Assembly election, a range of voting services is provided during an election period. Table (6) shown on page A21 is a comparative analysis of vote types at the 2001 and 2004 State General Elections while the summary Table (8) at page B4 includes a summary of vote types by district at the 2004 State General Election. The format of the electoral district voting returns presented here includes separate listings for each of these vote types as follows:

- (a) **Declaration (Postal)**

Cast by electors who for a variety of reasons cannot attend a polling booth on polling day. Electors more than eight kilometres from a polling booth, those working, travelling, imprisoned, ill or disabled, are entitled to apply for a postal vote.

- (b) **Declaration Unenrolled Votes**

Cast by electors on polling day in the district in which they believe they are enrolled but whose names cannot be found on the roll.

- (c) **Declaration (Pre-Poll in Person) Votes**

Cast in person prior to polling day by electors who for a variety of reasons are unable to vote on polling day.

- (d) **Interstate and Overseas Votes**

Electors interstate or overseas at the time of the election can vote either by post or by attending interstate electoral offices or locations in Los Angeles, Jakarta, London, Seoul, Shanghai, Hong Kong, Osaka, Tokyo, Taipei, Wellington and Port Moresby, Goroka, Lae, Mount Hagen, Madang and Rabaul in Papua New Guinea.

- (e) **Electoral Visit Votes**

Taken by Issuing Officers who visit electors who because of illness, disability or advanced pregnancy, or because they are caring for such persons, cannot attend a polling booth on polling day.

- (f) **Declared Institution Votes**

Cast by patients, residents or inmates of institutions (Hospitals, nursing homes, retirement hostels) declared as mobile polling booths for the purpose of the election.

**(g) Ordinary Votes**

Cast by electors on polling day in the district for which they are enrolled.

**(h) Polling Day Absent Votes**

Cast by electors on polling day outside the district for which they are enrolled.

**(i) Remote Area Mobile Polling Votes**

Cast by electors at polling places on 14 Islands in the Torres Strait and 5 communities in the Northern Peninsular Area.

**14 Preselection Ballots**

- 14.1 Legislative change in 2002 empowered the Commission to inquire into and conduct audits of preselection ballots undertaken by registered political parties.
- 14.2 In the lead-up to the 2004 Queensland State General Election the Commission conducted inquiries, of its own volition, into preselection ballots conducted by the Australian Labor Party, Liberal Party and the Greens. Reports on these inquiries have been tabled in Parliament.
- 14.3 Following the 2004 State General Election, in accordance with Part 8A of the *Electoral Act* 1992, the Commission commenced its audit of a number of randomly selected preselection ballots conducted by the 6 registered political parties. All parties that had notified the Commission of the conduct of preselection ballots were invited to the random draw. The audits have commenced and when completed, the Commission will prepare a report on its findings for tabling in Parliament.

## Electoral District First Preference Votes and Distribution of Preferences

## Guide to Statistical Returns

### Election Results

The 2004 Statistical Returns for Queensland's 89 electoral districts are presented alphabetically. Starting with the district of Albert and finishing at the district of Yeerongpilly.

District tables display the first preference count of ordinary and declaration votes in absolute (number) and relative (%) terms. Ordinary votes are recorded by candidate by polling booth. Declaration and pre-poll votes (postal, unenrolled, pre-poll, absent, electoral visit, declared institution and remote area mobile polling) are recorded by candidate. Total formal, informal and total votes are also shown for each booth and each category of declaration and pre-poll votes.

The results of distributions of preferences are also shown for the electoral districts which are contested by more than two candidates.

Both district tables are read across the page.

## Electoral District Profiles

## Guide to District Profiles

District Profile pages provide additional electoral District information: geographical data, summary statistics and historical data. The comparisons shown in this section are based on State General elections only. They do not take into consideration any by-elections which may have been conducted between these events.

### Sample: Albert Electoral District:

**Summary Statistics** record 2004 seat status by registered party and change from 2001. It will display if the seat was won on primary or preferences (also the count). The 2001-2004 results are compared across a range of attributes.

**Geographical** data includes geo-classification, district area, and overlapping Federal electoral divisions and local government areas.

**History** includes the year the district name was first used, periods when parliamentary parties held the seat, and the name, party identification and period of representation of the current Member.

## Glossary of Terms and Abbreviations

## Glossary of Terms and Abbreviations

<b>ADE:</b>	Average district enrolment of electors gazetted monthly, calculated by dividing the total state-wide enrolment by eighty-nine.
<b>AEC:</b>	Australian Electoral Commission.
<b>CPV:</b>	Compulsory preferential voting method used for federal House of Representatives elections. Electors are obliged to express preferences for as many candidates as appear on the ballot paper.
<b>DECLARATION VOTES:</b>	Sometimes called 'Special' or 'Sectional' votes. Include absent, postal, pre-poll in person, unenrolled and uncertain identity votes. Electoral visit votes are regarded as 'Ordinary Votes'.
<b>DISCLOSURE:</b>	Introduced for the first time at the 1995 Queensland State General Election. Financial disclosure provisions require annual returns by registered political parties and associated entities, and returns of gifts and election expenditure from candidates and others who incur expenditure for political purposes during an election campaign.
<b>EA 1992:</b>	The (Queensland) Electoral Act 1992.
<b>EARC:</b>	The Electoral and Administrative Review Commission (1990-1993).
<b>ECQ:</b>	The Electoral Commission of Queensland.
<b>EXCLUDED CANDIDATES:</b>	During the scrutiny under CPV and OPV the candidate with the least number of votes at each count of preferences is excluded (removed) from the count and his/her votes are then distributed to remaining candidates.
<b>EXHAUSTED VOTES:</b>	These are the votes of excluded candidates which show only one preference or a partial distribution of preferences (eg. 1, 2, 3 for example, in a district where say 5 candidates stood). These votes are counted to the preference indicated whereupon they 'exhaust' and go no further.
<b>FULL DISTRIBUTION OF PREFERENCES:</b>	The results after preferences have been allocated to the last two candidates remaining in the count (often beyond the point where a winner has been determined).
<b>GEOCLASS:</b>	Classifies districts into one of four categories: <ul style="list-style-type: none"> <li>• Inner Metropolitan (well-established Brisbane suburbs);</li> <li>• Outer Metropolitan (more recent suburbs in the Greater Brisbane Area);</li> <li>• Provincial (with a majority of electors in major provincial cities); and</li> <li>• Rural (with a majority of electors outside major provincial cities).</li> </ul>
<b>IND:</b>	Abbreviation used on occasions for Independents.
<b>INDEPENDENT:</b>	A candidate or parliamentarian who is not endorsed by a registered political party.
<b>INFORMAL VOTES:</b>	Votes not admitted to the count because, for example, the ballot paper was left blank, was incorrectly marked, or the voter's intention was unclear.
<b>LIVE VOTES:</b>	Votes remaining in count.
<b>MP:</b>	Abbreviation for Member of Parliament to the Legislative Assembly for Queensland.

<b>OPV:</b>	Optional preferential voting method. Electors may express preferences for one, some or all candidates on the ballot paper.
<b>ORDINARY VOTES:</b>	Votes cast on polling day within the district in which the elector is enrolled.
<b>PRIMARY VOTES:</b>	Also known as 'primaries', these are the formal <b>first</b> preference votes obtained by any candidate. Where no candidate has an absolute majority of primary votes, the seat is determined after (2 <sup>nd</sup> , 3 <sup>rd</sup> , 4 <sup>th</sup> ...) preferences are distributed.
<b>PREFERENCE VOTES:</b>	Term sometimes applied to votes expressed in order of preference <b>after</b> a primary (first preference), but technically the term refers to all votes recorded including the first, second, third... and later preferences.
<b>PUBLIC FUNDING:</b>	Introduced at the 1995 Queensland State General Election. Provisions allow for the reimbursement of election campaign costs to eligible parties and independents. Rate for the 2004 general election was \$1.32498 per eligible vote. More than four per cent of the formal first preference vote is required to claim public funding.
<b>QUOTA:</b>	Calculated at the start of a redistribution, this is the average number of electors determined by dividing the total number of electors by the number of districts into which the State is to be divided for representation purposes.
<b>POLITICAL PARTY ABBREVIATIONS</b>	LIB – Liberal Party; NPA – The Nationals; ALP – Australian Labor Party; GRN – The Greens; DEM – Democrats; ONP – One Nation. (Abbreviations are used in complex tables for statistical purposes by ECQ in lieu of the Registered Party Abbreviation)
<b>RO:</b>	Abbreviation for Returning Officer for a State electoral district.
<b>REDISTRIBUTION:</b>	The redrawing of the electoral map involving changes in electoral district boundaries.
<b>REGISTERED POLITICAL PARTY:</b>	A political party registered under the <i>Electoral Act 1992</i> for State electoral purposes. The Commonwealth maintains its own register.
<b>SEAT STATUS:</b>	Classifies districts into one of three categories, based on results after the distribution of preferences: <ul style="list-style-type: none"> <li>• Safe = above 60% of the vote;</li> <li>• Fairly Safe = between 56.01% and 59.99% of the vote; and</li> <li>• Marginal = between 50.00% and 56.00% of the vote.</li> </ul>
<b>TURNOUT:</b>	Also known as the participation rate for the election (ie the total number of voters expressed as a percentage of the total number of electors on the roll).
<b>UNICAMERAL:</b>	A legislature, like Queensland's with only one chamber or house.
<b>WEIGHTAGE:</b>	Five State electoral districts in excess of 100,000 square kilometres are 'weighted' to the extent of the equivalent of 2% of their land area. The weightage formula adds 28,765 to the roll in the districts of Charters Towers, Cook, Gregory, Mount Isa and Warrego.
<b>WRIT:</b>	Instructions from the Governor to the Electoral Commissioner regarding the conduct of an election.
