**Submission text:** Very selective wording in RRC submission. RRC has large rural areas to develop, leaving aside the three land grab areas. Three suburbs the subject of the land grab are not a proper and accurate assessment of the LSC people as a whole. RRC has for many decades been run at a loss and are desperate to steal a golden egg for financial assistance, with out any outlay. [REDACTED] Why not RRC grab other areas to the north of LSC, keep heading up the highway to take on the not profitable areas. Un-Australian thinking to dare state, Northern Suburb People live their lives in Rockhampton, do we Australians now have a locality to restrict our living in, like a Berlin Wall? Disgraceful.
