Submission text: I have lived in Olive Estate, Rockyview for 24 years and owned the land for four years before that so have been paying rates here for 28years. I have already voted NO. I don't believe that there should have been a vote at all. It should totally be about the viability of the LSC. If these LSC suburbs given to RRC i really believe that will be the end of the viability of LSC. It is just a grubby money grabbing exercise of the RRC. PLEASE DO NOT SEND US TO RRC.....
