WHITSUNDAY REGION - Proposed Determination September 2019

As electors of the Whitsunday Regional Council Electorate, **we do not support the September 2019 Proposed Determination for the Redivisions in Whitsunday Regional Council** prepared by the Change Commissioner.

WE STRONGLY SUPPORT the proposition from the Whitsunday Regional Council of simply moving voters along the adjoining boundary from Division 2 to Division 3 (3136105 Brandy Creek and part of 3135907.

It is utterly ridiculous to divide Bowen up as suggested. We didn't want to be amalgamated with Proserpine in the first place. If these new boundaries take place Bowen and Collinsville will get nothing done . It is so unfair.

RE: Whitsunday Regional Council Internal Electoral Boundaries Review.

As an elector of the Whitsunday Regional Council Electorate, I **do not support** the September 2019 Proposed Determination for the Redivision of Electoral Divisions in Whitsunday Regional Council **proposed by the Change Commissioner.**

I **do not agree** with **changing all** Boundaries, which to me will cause more confusion, when a simple rearranging of **one boundary** will solve the problem. We have enough problems with keeping up with electoral boundaries when an election is due, whether State or Federal. Also the expense of changing the boundaries which cost us the taxpaying public.

I STRONGLY SUPPORT the proposition from the Whitsunday Regional Council of simply moving 394 voters along the adjoining boundary from Division 2 to Division 3.

BELOW IS WRC PROPOSAL OF A SMALL MOVEMENT OF BOUNDARY AND 394 ELECTORS FROM DIV 2 TO DIV 3

Council submits that the Change Commission could consider realigning the boundary so that it is positioned following Orchid Road, Cannon Valley, on the east side of Shute Harbour Road, as demonstrated at figure 2 below and in attachment 1:

ECQ have confirmed that there are approximately 378 electors within SA1 3135907 in the area east of Shute Harbour Road. It is proposed that a portion of these electors be reallocated from Division 2 to Division 3, as demonstrated at figure 2. SA1 3135907 includes Whitsunday Acres and Ocean Reach, however, it is proposed that the boundary be realigned so as only to include Whitsunday Acres and not the approximate 60 properties in the Ocean Reach estate and border the National Park.

This proposal is summarised in the following table:

	Division 2	Division 3
Current Electors	4229	3468
SA1 3136105 from Division 2 to Division 3	- 76	+ 76
Subtotal	4153	3544
East Shute Harbour Road (excluding Ocean Reach properties)	- 318	+318
Total (approx.)	3835	3862

This would place both divisions within the permitted range of 3324 to 4063 electors per division.

**PLEASE SUPPORT WRC PROPOSAL OF MOVING 394 ELECTORS
WITH A SMALL BOUNDARY CHANGE BETWEEN DIV 2 AND 3**

Dear Sir,

Re: Whitsunday Regional Council Internal Electoral Boundaries Review

As an elector of the Whitsunday Regional Council Electorate, I **do not support** the September 2019 Proposed Determination for the Redivision of Electoral Divisions in Whitsunday Regional Council **proposed by the Change Commissioner.**

I STRONGLY SUPPORT the proposition from the Whitsunday Regional Council of simply moving 394 voters along the adjoining boundary from Division 2 to Division 3

This will make all Divisions in the Whitsunday Regional Council Electorate "In Quota".

Yours Faithfully, *BEVAN GRITTHS*
