Submission text: Moreton Bay is a region, we are a region that is make up of many different suburbs. We are not a city, there is no such place called "Moreton Bay City," unlike "Brisbane City." There is a Moreton Bay College on Wondall Road at Manly West. Will that become apart of the Moreton Bay City? There are several other business/facilities that are located outside of the Moreton Bay Region, but call themselves Moreton Bay. Changing the name will make a confusion location even more confusion to those that live outside of the Moreton Bay region. It was a waste of money and resources changing our name from Pine Rivers to Moreton Bay, please don't waste more tax payer money changing the name again. That's not even mentioning the countless business' that have "Moreton Bay Region" in their trading name that would have to be changed at business' own expense. We are a region, not a city.
