Re: Did you miss out on voting in the March election?

Our records indicate you may not have voted in the Local Government election in March 2020.

This letter is to remind you that:

- Voting is compulsory.
- Penalties apply if you fail to vote without a good reason.
- If you don't vote at the next election you may be fined.

No action from you is required in response to this letter.

But to **make sure this doesn't happen again**, plan now for how you will cast your vote in the October 2020 Queensland State General election.

Pat Vidgen PSM FGIA
Electoral Commissioner
