BELOW IS WRC PROPOSAL OF A SMALL MOVEMENT OF BOUNDARY AND 394 ELECTORS FROM DIV 2 TO DIV 3

Council submits that the Change Commission could consider realigning the boundary so that it is positioned following Orchid Road, Cannon Valley, on the east side of Shute Harbour Road, as demonstrated at figure 2 below and in attachment 1:

ECQ have confirmed that there are approximately 378 electors within SA1 3135907 in the area east of Shute Harbour Road. It is proposed that a portion of these electors be reallocated from Division 2 to Division 3, as demonstrated at figure 2. SA1 3135907 includes Whitsunday Acres and Ocean Reach, however, it is proposed that the boundary be realigned so as only to include Whitsunday Acres and not the approximate 60 properties in the Ocean Reach estate and border the National Park.

This proposal is summarised in the following table:

| | Division 2 | Division 3 |
|--|------------|------------|
| Current Electors | 4229 | 3468 |
| SA1 3136105 from Division 2 to Division 3 | - 76 | + 76 |
| Subtotal | 4153 | 3544 |
| East Shute Harbour Road (excluding Ocean Reach properties) | - 318 | +318 |
| Total (approx.) | 3835 | 3862 |

This would place both divisions within the permitted range of 3324 to 4063 electors per division.

PLEASE SUPPORT WRC PROPOSAL OF MOVING 394 ELECTORS WITH A SMALL BOUNDARY CHANGE BETWEEN DIV 2 AND 3

Re: Whitsunday Regional Council Internal Electoral Boundaries Review

I live in Queen's Beach – the area proposed to be split over 3 electorates. **Please explain to me how this makes sense.**

It seems to me that this whole initiative is to give the power of decision making to the southern tourist areas around Airlie Beach, thereby weakening the northern area around Bowen which is not 'tourist', but farming.

I would like you to consider the fact that nothing – not even tourism or coal – survives without food and you would be advised to remember this.

Yours faithfully,

Ann Woeller

To change commissioner,
This email is in regard to the Whitsunday Region Proposed Determination September 2019.

I live in the Whitsunday Region and as an elector I do not support the September 2019 Proposed Determination for the Redivision of electoral Divisions in Whitsunday Regional Council which was prepared by the Change Commissioner.

You do not live here and therefore are not aware of the impact that these proposed changes would bring.

We have already lived through times with a Mayor that took full advantage of the ways in which our previous electoral boundaries were, to the detriment of the divisions in our north.

I Strongly support the proposition from the Whitsunday Regional council of simply moving voters along the adjoining boundary from division 2 to division 3 (3136105 Brandy Creek and part of 3135907)

ATT: The Change Commissioner

Dear Sir/Madam

As an elector of the Whitsunday Regional Council, I do not support the September 2019 Proposed Determination for the Redivision of Electoral Divisions in Whitsunday Regional Council proposed by you, in your position as the Change Commissioner.

This change was previously strongly rejected by the councillors and the electorate. I live in a Northern division and feel residents in the north would be negatively affected by a split of 4 Southern and 2 Northern councillors, following your proposed Determination.

I STRONGLY SUPPORT the proposition from the Whitsunday Regional Council of moving 394 voters along the adjoining boundary from Division 2 to Division 3 in order to comply with the Government's determined size of a Council Division.

I believe that the electorate should not be considered as merely numbers on a map but as whole (not split) communities. At present Whitsunday Shire has three councillors representing the south and three the north so, whether you consider that a point of importance or not, the electorate considers it a fair split of representation of benefit to all.

I ask that you reconsider your proposal, to which I strongly object.

Yours faithfully
Margaret Morris (Mrs)
