Submission text: I currently live in Division 1. The largest division in the boundaries of Ipswich City Council. Firstly, I would not know who my councillors are, both of them. In my opinion, the dual councillors dont work. I would like to see the councillors back within the community with an office where I could go when I need assistance with something. My question would be, why does Ipswich need to be different to all the other LGA's. No other council has dual councillors. It is a waste of resources, we dont get to see them. My submission would be to bring back the single councillor division.
