

Appointment of an agent for a candidate

A candidate may appoint an agent. The agent is responsible for the candidate's election funding and financial disclosure obligations under the *Electoral Act 1992* or the *Local Government Electoral Act 2011*. Only one agent can be appointed at a time for each election.

A new agent appointment form must be completed for each election a candidate contests.

The name of a candidate's agent will be entered into the ECQ's Register of Agents. Unless otherwise indicated, all information in this form will be published for public inspection on the ECQ's website.

During any period where no agent is appointed, the candidate becomes accountable for the obligations and responsibilities carried out by the agent until such time as a new agent is appointed.

Lodgement timeframe

An agent may be appointed by a candidate at any time.
