Submission text: City Of Ipswich only Back to 10 divisions/councillors it may be more work for each individual councillor but in the past I believe it made them more passionate and more engaged within the community not to mention more connected with the people and Business's in the electorate I also believe the person with the second most amount of votes in the election should become deputy Mayor Local council members need to be out in all areas of the community and not favour certain suburbs which is why we NEED to seperate Ipswich divisions and go back to 10
