**Submission not to change the boundaries  
Of Livingstone Shire**

**As a resident of Livingstone Shire I cannot express enough the need to leave Boundaries as they are.**

**In the first place Livingstone Shire residents did not vote to amalgamate with the Rockhampton Regional Council.**

**We did not want to belong to the Rockhampton Regional Council.**

**WE did not want to belong to Rockhampton then and we do not wish to belong to Rockhampton now.**

**Livingstone Shire Council while struggling just like many other councils is holding its own as it stands.**

**Many residents in Livingstone are retired and rely on a number of people paying rates to share the work load for the shire.**

**If our rate payers are lost to Rockhampton then it will stand to reason that the work load will be shared with fewer residents, services lost, affecting many, especially the elderly, across all corners of the Shire.**

**I live in Livingstone . I can commute to Rockhampton for several reason using Rockhampton facilities. I volunteer my time to Rockhampton Residents for the past 14 years.**

**Rockhampton Residents travel to the Coast for work and pleasure as does the residents from Livingstone to Rockhampton .**

**The suggestion and threat of moving Livingstone Shire residents to Rockhampton will cause friction and has caused friction.**

**How can Rockhampton ever work with Livingstone? Who will trust them? Not me.**

**Kind Regards**
