Background

On the 8 April 2015, the Honourable Deputy Premier, Minister for Transport, Minister for Infrastructure, Local Government and Planning and Minister for Trade Jackie Trad MP, referred Council's application for consideration to be given to the realignment of the common boundary between the Maranoa Regional Council and Western Downs Regional Council.

The application proposes a change to the common boundary between the local governments and involves the following lots—

- Lot 9 on Survey Plan SP236780;
- Lot 43 on Crown Plan EG130;
- Lot 22 on Survey Plan SP248280;
- Lot 70 on Crown Plan WV631;
- Lot 368 on Crown Plan FTY535; and
- Lot 1 on Crown Plan AB110.

It is proposed that—

- Lot 9 on Survey Plan SP236780, Wallumbilla North; and
- Lot 43 on Crown Plan EG130, Teelba;

be wholly incorporated within Western Downs Regional Council.

It is further proposed that—

- Lot 22 on Survey Plan SP248280, Clifford;
- Lot 368 on Crown Plan FTY535 in both Clifford and Bundi;
- Lot 70 on Crown Plan WV631, Clifford; and
- Lot 1 on Crown Plan AB110, Waikola;

be wholly incorporated within Maranoa Regional Council.

The Change Commission in this case is comprised of the Electoral Commissioner Mr Walter van der Merwe and a Casual Commissioner Mr Gregory Rowe, in accordance with Section 22 of the *Local Government Act 2009* (the Act). The Change Commission is responsible for assessing whether a proposed local government change is in the public interest. In doing so, the Change Commission must consider—

- whether the proposed local government change is consistent with the Act; and
- the views of the Minister about the proposed local government change; and
- any other matters prescribed under a regulation.

Section 19(3) of the Act provides that the Change Commission may conduct its assessment in any way that it considers appropriate including, for example—

- ask for submissions from any local government that would be affected by the proposed local government change; and
- hold a public hearing to ask the public for its views about the proposed local government change.

The Change Commission determined that a public hearing was unnecessary on this occasion.

Submissions

The Minister referred this matter to the Change Commission based on a submission received from the Maranoa Regional Council. The Minister referred these matters without expressing a view for or against the proposal (see Appendix A). The Council's submissions are included in Appendix B.

The Minister's referral also included correspondence from the Western Downs Regional Council supporting the Maranoa Regional Council's proposal to move the referred lots into the respective Council areas.

Both Councils supported the transfer of Lot 9 on SP236780 and Lot 43 on Crown Plan EG130 into Western Downs Regional Council.

The private owner of Lot 43 on EG130 expressed their preference to stay with Maranoa Regional Council. The owners of Lot 1 on AB110, Lot 70 on WV631, Lot 22 on SP248280 and Lot 9 on SP236780 were unable to be contacted by the Council (see Appendix B).

The Change Commission determined that it was unnecessary to call for further submissions on this occasion, as both the Councils were in support of the transfer.

These anomalies were submitted to the Minister and then to the Change Commission based upon advice from the then Department of Natural Resources and Mines.

Findings

After an assessment of the material submitted and having taken into account all considerations specified in the Act, it is recommended that—

- Lot 9 on Survey Plan SP236780, Wallumbilla North; and
- Lot 43 on Crown Plan EG130, Teelba;

be wholly incorporated within Western Downs Regional Council.

It is further recommended that—

- Lot 22 on Survey Plan SP248280, Clifford;
- Lot 368 on Crown Plan FTY535, in both Clifford and Bundi;
- Lot 70 on Crown Plan WV631, Clifford; and
- Lot 1 on Crown Plan AB110, Waikola;

be wholly incorporated within Maranoa Regional Council.

See Maps attached at Appendix C for details.

Reasons for Findings

The proposed boundary changes were assessed as being consistent with the *Local Government Act 2009*.

The Change Commission supports the the Council's submissions to move parts of the specified lots between Western Downs Regional Council and Maranoa Regional Council as described in the findings. The Change Commission believes that the transfers are in the interests of the landowners, the Councils, and also for essential services, as it will result in the entirety of the lots being included in the same locality and Council area. In doing so, this will help reduce the confusion caused when local government boundaries bisect lots.

In the case of Lot 43 on Crown Plan EG130, the owner Mr Penfold expressed a preference to remain in Maranoa Regional Council, while the Councils both agreed that it should be moved to Western Downs Regional Council. The Change Commission agrees with the Council's assessment, finding that the whole of the lot should be included in Western Downs Regional Council.

The Change Commission's support for the referred changes has been made in the public interest.

Implementation

The Governor in Council may implement the Change Commission's recommendation under a regulation.

The regulation may provide for anything that is necessary or convenient to facilitate the implementation of the local government change.

Re: Local Government Boundary Anomalies

At its General Meeting held on 13 August 2014, Council considered a number of anomalies pertaining to the Maranoa Regional Council local government boundary adjacent to the Banana Shire Council, Western Downs Regional Council and Balonne Shire Council local government areas.

This matter has been considered at General Council meetings held on 11 December 2013, 22 January 2014 and most recently at the meeting held on 13 August 2014. As requested by your Department, in this most recent meeting Council undertook additional deliberation and considered a range of factors including access roads to the properties, the geographical location of the majority of the lots, and feedback from affected property owners.

Council also considered correspondence received from Balonne Shire Council who resolved to apply to have Lot 5 on SP215322 and Lot 6 on SP215322 entirely located in Balonne Shire Council local government area.

The outcome from the meeting on 13 August 2014 was that Council resolved as follows:

Resolution No. GM/08.2014/18

That Council:

- 1. Advise Banana Shire, Western Downs Regional Council and Balonne Shire Council that Council has completed an assessment of the boundary anomalies as notified by the Department Natural Resources and Mines and considered in its assessment access roads to the property, the location of the majority of the area of the lot and feedback from affected property owners.**
- 2. Advise Banana Shire, Western Downs Regional Council and Balonne Shire Council that it is Council's position that the local government boundary should be moved to locate Lot 5 on SP215322 and Lot 6 on SP215322 entirely in Balonne Shire Council and Lot 4 on SP 204532, Lot 9 on AB 244, Lot 9 on SP 236780, Lot 22 on SP 248280, Lot 70 on WV 631 and Lot 368 on FTY 535 entirely within the Maranoa Regional Council Local Government Area.**
- 3. Apply to the Minister for Local Government for a referral of the matter to the Local Government Change Commissioner (Electoral Commission of Queensland) providing details of Council's assessment and recommendations.**

Dear Minister Crisafulli

Re: Local Government Boundary Anomalies

At its General Meeting held on 22 October 2014, Council reconsidered its decision from the General Meeting held on 13 August 2014 in regard to the local government boundary anomaly affecting Lot 9 on SP236780.

Council was also asked to consider further boundary anomalies with Western Downs Regional Council affecting Lot 1 on AB110, Lot 98 on SP171537, Lot 9 on EG209, Lot 6 on EG138, Lot 5 on SP233453 and Lot 43 on EG130.

Resolution No. GM/10.2014/45

That Council:

- 1. Advise Western Downs Regional Council and the Minister for Local Government that Council has reviewed its previous decision and now recommends that the local government boundary be moved to accommodate Lot 9 on SP236780 entirely within the Western Downs Regional Council Local Government Area.**
- 2. Advise Western Downs Regional Council and the Minister for Local Government that it is Council's preferred position that the boundaries of Lot 98 on SP171537, Lot 9 on EG209, Lot 6 on EG138 and Lot 5 on SP233453 remain unchanged.**
- 3. Advise Western Downs Regional Council and the Minister for Local Government that it is Council's preferred position that the boundaries of Lot 1 on AB110 be moved to accommodate the entire lot in the Maranoa Regional Council area.**
- 4. Advise Western Downs Regional Council and the Minister for Local Government that it is Council's preferred position that the boundaries of Lot 43 on EG130 be moved to accommodate the entire lot in the Western Downs Regional Council area.**
- 5. Apply to the Minister for Local Government for a referral of the matter to the Local Government Change Commissioner (Electoral Commission of Queensland) providing details of Council's assessment, recommendations and results of consultation with Western Downs Regional Council.**

Consultation with Western Downs Regional Council

On 29 September 2014, a teleconference was held at the request of Western Downs Regional Council.
